Why are you interested in serving on the Board of Directors?	The Boundary is a small association and I think it's important for everyone to get involved in someway.
What strengths do you think you would bring to the Board?	I retired after 33 years in the real estate business. I owned and operated a three office sales organization, a property management and rental company and a real estate development business. Our companies developed and sold residential and commercial properties including many condominium. I'm very familiar with the day to day operation of condominium associations.
Do you have a current resume you can send?	No
List prior board or committee experience.	While our development company built many condominiums, we also went on to manage many of these associations working closely with their Board of Directors
How much time will you be able to contribute?	Although Nancy and I will be living part time in the Boundary the technology today will allow us to be available as needed
