**Hello, Homeowners and Happy Spring**

We held our first Board of Directors meeting on January 26, 2021. This was a virtual meeting that was open to all homeowners. Minutes from this meeting will be forthcoming on our website. Topics discussed included; capital reserve analysis, 2020-21 finances, governing

documents and 2021 projects. We encourage everyone to participate in future board meetings because your input is important to us.

## **As winter fades, Carbondale's ditches and streets are ready for a spring cleaning.**

Town crews will begin annual cleaning and maintenance on ditches throughout Town on March 15. Residents should remove all debris, fences, and obstructions in the ditch on their property. Crews will be in and around neighborhoods with equipment while raking and cleaning the ditches. Some ditch burning might also be done, so there may be smoke.

For more information regarding ditch cleaning, please contact the Town of Carbondale Utility Department at (970) 963-3140.

Beginning March 15, 2021, the Town will begin street sweeping throughout the Town. The route will start on the main roads in Town, including Highway 133, and then move to neighborhood streets. The sweeper is a relatively slow piece of equipment, so please be patient and drive cautiously near the sweeper. Street sweeping will take place for several weeks, weather permitting.

For more information regarding street sweeping, please contact the Town of Carbondale Public Works Department at (970) 510-1325.
