Can we do anything without you?

1 6 4
When your presence is all we need.

1 6 4
How could I ever come to doubt you?

1 6 4
Would you take this unbelief?

1 6 4
Now I feel your presence join us

1 6 4
Like an overwhelming peace

1 6 4
See eternity getting brighter

1 6 4 5
As we lift our eyes and sing, yeah

4 5
Hallelujah ,

1 5 6 5 4
Worthy is the lamb upon the throne.

4 5
All honour,

1 5 6 5 4
belongs to you and Jesus you alone

4 5
So we join the song that a

1 5 6 5 4
Thousand Angels never cease to sing

5
We sing Worthy,

1
Worthy is the King

1 6 4
Sometimes my faith can feel so rusted

1 6 4
Like a statue by the sea

1 6 4
But then I feel you working in my life

1 6 4
Lord you're resurrecting me

4
All honour,
5
All glory
6
All power
1 5
is yours, is yours
