

BROUGHT TO BONES

Howard James Fyvie © 25 May 2019

1 5 6
We are shadows, we are dust
 4 1
Fighting moth and fighting rust
1 5 6
Like a blade of grass that grows and grows
 4 1
but always fades away
1 5 6
You are different, you are God,
 4 1
Uncreated, set apart,
1 5 6
Watching over all creation from
 4 1
beginning to the end

*

So many kingdoms, many thrones
So many rulers brought to bones,
But the God of ages still remains a faithful God
today

So many people born again,
So many sinners turned to friend,
Every soul with a song to you, we sing

1 5 6 4
Great God, your name is forever
1 5 6 4
In your hands, our lives are forever
1 5 6 4
You only know, you only know, you only know
when our days are done
1 5 6 4 1
You are endless, and your love forevermore

Through the fire, through the flame
Through the failure and the shame,
There's a new beginning for the one that humbly
calls your name

Every winter, every spring,
In every season, worshiping,
As creation holds its breath, we sing

4 5 6 1
Gloria, in excelsis deo
Gloria, in excelsis deo
Gloria, in excelsis deo
Gloria

1 5
Father everlasting,
6 4
Worthy to be praised
1 5
Glory in the highest
6 4
Name above above all names
