

Men Making Moves, (TRIPLE M), Scholarship Foundation is a 501(c)(3) (non-profit), privately-funded foundation committed to providing an avenue for our young men and women to excel to the highest levels. As concerned volunteers, it is our desire and goal to provide the tools for all the youth in Grimes County to reach his or her full potential. Our goal is to provide financial assistance to Grimes County students who have chosen to further their education, post high school.

Triple M recognizes that all students can benefit from scholarships. Some may not be in the top 10% or may have elected to attend trade or technical schools. Triple M is also committed to helping Grimes County in numerous other ways to include mentoring, after-school tutoring, neighborhood assistance, community service and so many other needs. We are here to mentor and develop our young men and women and provide them with positive goals, leadership and life skills, academic tutoring and support, discipline and teamwork, and with financial assistance in their post-secondary education. We believe education and helping others are extremely important which is why we have an especially strong focus on academics and community service. Each of our recipients will be hand selected.
