MATCHED WINES

Wine Flight

The concept of the restaurant is that we serve a single tasting menu each evening that will change seasonally (or even daily if we get something special). Since we're asking you to trust us to serve you a lovely meal you may like to take our wine suggestions too.

We are offering a choice of two flights of matched wines alongside the meal if you'd like to let us take care of everything.

The flight is five wines served alongside the six courses, and is 500ml in total:so more than a half bottle, but less than a full bottle. I've found over the years that this is a nice amount of wine served alongside food in an experience lasting almost four hours.

The core wine flight is £75 per person. The premium wine flight is £125 per person.
