## MATCHED WINES

### Wine Flights

We serve a single tasting menu each evening that changes seasonally. Since we're asking you to trust us to serve you a great meal, you may like to take our wine suggestions too.

I'm offering a choice of two flights of matched wines alongside the meal if you'd like to let us take care of everything.

The flight is of five wines served alongside the six courses (the glasses vary in size), and is generally around 475ml in total (i.e. just less than two-thirds of a bottle). I've found over the years that this is a nice amount of wine served alongside food in an experience lasting around four hours.

*The Core wine flight is £80 per person. The Fancy wine flight is £125 per person.*

If you're a party of more than two people you may also like to discuss sharing a few different bottles to suit the whole menu. Just ask me about how best to approach that.

Wines by the Glass are also available – just ask for the current list!

## Non-Alcoholic Wine Alternatives

### NON

NON is a complex non-alcoholic alternative to wine created by food and beverage professionals in Melbourne. They take high quality local and international seasonal ingredients and use a variety of techniques from the world of gastronomy to extract the best flavour from them. Each of the bottlings use a base of verjus (the juice of unripened grapes) to provide body, balance and acidity.

The end result are drinks that are complex and intriguing in a different way than wines, and really complement food. Perfect if you're abstaining or driving!

#### NON 1: Salted Raspberry & Chamomile (75cL)

Whole Raspberries, Chamomile, Murray River Salt, Cane Sugar, Verjus £45

#### NON 5: Lemon Marmalade & Hibiscus (75cL)

#### NON 7: Stewed Cherry & Coffee (75cL)

## Jukes Cordialities

Matthew Jukes is one of the foremost wine critics in the UK and has spent several years creating a genuinely satisfying, sophisticated alcohol-free adult drink. The recipe is based on Haymakers Punch from the 17<sup>th</sup> Century, and uses apple cider vinegar as its base to capture aromatics and add complexity.
