MATCHED WINES

Wine Flights

In our Restaurant we serve a single tasting menu each evening that changes seasonally. Since we're asking you to trust us to serve you a great meal, you may like to take our wine suggestions too.

We are offering a choice of two flights of matched wines alongside the meal if you'd like to let us take care of everything.

The flight is five wines served alongside the six plated courses (the glasses vary in size), and is generally around 475ml in total (i.e. more than a half bottle, less than two-thirds). I've found over the years that this is a nice amount of wine served alongside food in an experience lasting around four hours.

The Core wine flight is £75 per person. The Fancy wine flight is £125 per person.

If you're a party of more than two people you may also like to discuss sharing a few different bottles to suit the whole menu. Just ask me about how to approach that.

If you're not into wine matching or flights, then of course you can select a bottle from this list, or drink wines by the glass. I don't list the wines by the glass here because they change frequently with the menu and what I'm interested in at the moment. It's also nice to have a conversation with you about what you enjoy to be able to suit something to your taste.
