MATCHED WINES

Wine Flights

We serve a single tasting menu each evening that evolves with the seasons. Since we're asking you to trust us to serve you a great meal, you may like to take our wine suggestions too.

I'm offering a choice of two flights of matched wines alongside the meal if you'd like to let us take care of everything.

The flight is of five wines served alongside the six courses (smaller than average glass-size), and is generally around 475ml in total (i.e. just over half a bottle). I've found over many years that this is just the right amount of wine served alongside food in an experience lasting around four hours.

The core wine flight is £80 per person. The premium wine flight is £125 per person.

If you're a party of more than two people you may also like to discuss sharing a few different bottles to go through the whole menu. Just ask me about how best to approach that.

A wide selection of wines by the glass is also available – just ask for the current list!

Non-Alcoholic Wine Alternatives

NON

NON is a complex non-alcoholic alternative to wine created by food and beverage professionals in Melbourne. They take high quality local and international seasonal ingredients and use a variety of techniques from the world of gastronomy to extract the best flavour from them. Each of the bottlings use a base of verjus (the juice of unripened grapes) to provide body, balance and acidity.

The end result are drinks that are complex and intriguing in a different way than wines, and really complement food. Perfect if you're abstaining or driving!

NON 1: Salted Raspberry and Chamomile (75cL)

Whole Raspberries, Chamomile, Murray River Salt, Verjus £45

NON 2: Caramelised Pear and Kombu (75cL)

NON 7: Stewed Cherry & Coffee (75cL)
