RULES & WAIVER OF LIABILITY

Official 4C BBQ Jumbo Wing Eating Contest Rules

Eating competitions are inherently dangerous activities, and all participants expressly and voluntarily assume the risk of any and all injury and damage that may result from the participation in eating competitions. Participants understand that such risks include, but are not limited to possible bodily injury, partial or total disability, paralysis, death or other injuries or damages. Selection of participation in the event and the risks of loss, damage or injury shall at all times remain with and be borne by each participant. Participants will be required to execute a Waiver of Liability, Release, Assumption of Risk and Indemnity Agreement before participation.

Official Rules

1. The wing eating competition is open to all amateur eaters 18 years or older who are in good health. Professional eaters, persons recognized by the AICE, the IFOCE or members of any professional eating organization are not eligible.
2. Any competitor with a serious ailment or health problem may not compete in the contest.
3. We ask our teams to be on site 30 minutes prior to their scheduled time to fill out all paperwork.
4. Competitors may eat sitting down or standing up in their designated areas. Any contestant leaving their designated area during the contest will be disqualified.
5. Competitors may not make physical contact with any other team competitor at any time. Any competitor who deliberately makes contact with another team competitor will be disqualified.
6. The use of utensils is not allowed.
7. Contestants must wait for the starting signal to begin eating and may not touch any chicken wings prior to the starting signal. If your team finishes eating all wings before the ending signal, all team members must raise their hands to notify the judge. The judge will then stop the clock for that team and inspect to make sure all team members have swallowed their wings.
8. If your team has not consumed all wings before the 20 minutes allotted, contestants must stop eating and promptly place their hands down on the table or at their side at the ending signal. Contestants may not put additional chicken wing or wings, or portions of chicken wings, in their mouths after the ending signal, but will be allowed 15 seconds to swallow any chicken wings already in mouth.
9. Competitors must place each and every finished chicken wing bone back in the wing basket. Failure to place wing bones or the remaining sauce back into the basket will result in disqualification. Anyone deliberately hiding uneaten sauce in any way will cause disqualification of their team.
10. An eaten wing will be defined as an entire wing that is eaten and swallowed and remains swallowed during the period.
11. If you heave, you leave: i.e. your team will be disqualified.
12. If contingencies or disputes arise at the contest/before, during or after, that is not explicitly covered by these official rules, the Executive Judge's decision will stand with the same finality as the rules.
