

# ALTERNATIVE CROP WORKSHOP

This workshop will provide information to the Small Farmer/Producer about how to diversify their current enterprise with “Alternative Crops”.

The workshop will include a listing of crops that will enhance your bottom line and expand your customer base. If you have been discriminated against by the USDA Farm Loan Programs, there will be a representative at the workshop to discuss the Discrimination Financial Assistance Program.

**DECEMBER 14, 2023 | 10AM - 2PM**  
**BAREFOOT FARMS**

939 Sea Island Pkwy, Saint Helena Island 29920
