

ECO CAMP 2025

“Stay Wild, Nature Child!”

July 21-25 Monday - Friday 9:00am to 12:00pm

Location: Lowcountry Montessori School 749 Broad River Dr, Beaufort

Science has shown that spending time outdoors and being exposed to nature is important for the healthy development of young brains and bodies. This year's Eco Camp is dedicated to the connection between children and our environment. We hope your child will join us as we explore various ways to experience nature up close and personal, play outside, discover habitats, and get our hands dirty by celebrating all things creepy, crawly, muddy, wild, and wet!
