### **Information Packet**

**Competition Team, Recreation Team and  
Introduction to Competitive Swimming**

**Welcome to Buckeye Swimming's 29<sup>th</sup> Year!**

Buckeye is dedicated to developing and motivating swimmers at all levels. We recognize the contribution of all our members and strive to maintain athletic excellence in a supportive team environment. Buckeye has a caring and innovative coaching staff that strives to help swimmers find their best. We excel at finding pathways for individuals to progress in a team environment. Buckeye has high achieving athletes; from nationally ranked swimmers to top rated scholars, we are proud of our athletes in and out of the pool!

#### **Our Program**

We are primarily a competition swim program, with offerings that extend into recreational swimming. We are unique in Central Ohio in that your swimmer does not have to be the fastest or most dedicated swimmer to have access to our top coaches. **We are Inclusive!** While we do have 'try-outs' these are generally to find the right fit for our swimmers. If a swimmer can demonstrate basic stroke knowledge and safety in the water, we will likely find a group that fits.

**Comprehensive training schedule.** Very few programs in Columbus can offer more than 4 practices each week for their age group swimmers. Buckeye offers up to 6 practices weekly. This gives young swimmers the opportunity to attend 3- 4 practices each week with some flexibility to participate in activities outside of swimming. This also allows older swimmers that have decided to commit fully to swimming, the opportunity to attend and improve at a higher level.

#### **Small Team/Big Results**

We are a small team of about 100 swimmers. For us, this means that every swimmer is important. As a result, our swimmers see improvement in their swimming unmatched by other programs. Swimmers and families that immerse themselves in our program, especially on the competitive side, will find that every teammate will support and get to know them, including those in different age groups. We regularly finish in the top three in Ohio in the small team division at the State Age Group Championships. We regularly finish well ahead of teams that are much larger than ours. We do not do this by being ultra-selective in who we bring into our program, we do this through commitment and coaching.

**Summer Season: April 14 through last meet (July/August 2019)**

**Our Indoor Pool is conveniently located inside the  
Columbus North Sports Club at 888 E. Dublin Granville Rd, 43229**

**We utilize Minerva Park on Valley Rd for outdoor training**

## **Silver Program**

Our Silver program is geared towards our youngest swimmers, swimmers wishing to explore competitive swimming and/or swimmers interested in swimming for fitness or recreation.

### **Silver Competition Group**

This group will attend a minimum of one USA Swimming competition each month, with competitions beginning in October. The primary focus will be on improving each swimmer's technique and learning how to work with teammates. This is a terrific group for young swimmers that would like to explore competing in swimming or are new to swimming competitively. Recommended for swimmers age 6-9, maximum age in this group is 10. By the end of the program swimmers should be able to compete in 50 yards of each stroke and a 100 Individual Medley.

Entry Prerequisite: Minimum age 6. 25 yards of freestyle with face in the water between breaths. 25 yards of backstroke. Some knowledge of breaststroke and butterfly kick.

Because this is a competition group it is offered by the season rather than session. Winter season is September 4 to early March (ends at last meet). Spring and summer runs from April 14 to July 15. Fees and schedule can be found in the team schedule and fees detail portion of this packet.

### **Silver Introduction to Competitive Swimming**

This is our introductory group for swimmers that are interested in competitive swimming but aren't sure if they are ready. This group offers two 45-minute practices per week with a focus on stroke development, swimming language and practice rules/etiquette. Swimmers entering this group should be in the advanced stage of swim lessons. Minimum age is 5. Cost is \$135 per session, plus an annual \$150 registration fee.

Spring Session: April 14 – May 30 (no practice Easter Sunday)

Summer May 31 to July 15

### **Silver Recreation Group**

This group will not be required to attend USA Swimming Competitions; the primary focus will be on improving each swimmer's technique and endurance in the water. This is a terrific group for youngsters that participate in other sports, are interested in swimming for fitness or are generally uncomfortable in competitive situations. Swimmers will be taught proper technique for butterfly, breaststroke, starts and flip turns. By the end of their second session swimmers should be able to swim a continuous 500 freestyle with turns and a breathing pattern. In addition, we will measure progress through a variety of timed 25-yard, 50 yard and 100-yard swims. Cost is \$275 per session plus an annual \$150 registration fee.

Entry Prerequisite: 50 yards of continuous freestyle, with face in the water between breaths. 50 yards of continuous backstroke.

Spring Session: April 14 – May 30 (no practice Easter Sunday)

Summer May 31-July 15

## Scarlet Program

Our Scarlet program is our competitive program for swimmers age 9-15. Swimmers will attend a minimum of two to three meet days per month. Emphasis will be on continued skill development, introduction to race strategy, advancing stroke technique, positive self-talk, taking responsibility for own progress, fitness, and an introduction to training modules. It is acceptable for swimmers in this group to participate in other sports. Multi-sport athletes will have attendance requirements waived during the **fall season** only. The program is divided into four training groups that are based primarily on age as we believe working within peer groups is an important part of childhood development. New this year, we will offer a three day a week program to help transition older swimmers from Silver or lessons to competitive swim team. Lead Coach Laurie Karr.

Entry minimums (groups within this program may have more demanding prerequisites) – can swim 100 yards of each of the four competitive strokes within USA Swimming stroke rules, can swim a 200 Individual Medley, can swim 500 yards continuously.

### Scarlet Gold, Age 12-15

The scarlet Gold group is open to Scarlet 2 members by invitation only. Swimmers in this group add more conditioning and training in and out of the water. This group is an excellent progression into our Junior group and Senior program. Goals of achieving JO, Zones and Sectional time standards are discussed frequently within the members of this group. Swimming in High School and beyond is also emphasized. Practices will be offered 6 days a week during the school year with additional practices offered during the summer. 80% attendance is required.

### Scarlet 2, Ages 10-13

This group will continue to develop the skills learned in Scarlet 1 with a greater emphasis on training for competitive success. Practices will be offered five days a week with a minimum attendance requirement of 70%. This group will emphasize achieving National BB and faster time standards, including Zones and JO'S.

### Scarlet 1, age 9-11

This group will continue to develop skills learned in Silver Competition. Practices will be offered five days a week with a minimum attendance requirement of 65%. Attendance averages will be checked monthly.

### NEW! Scarlet 3, Ages 11-14

This is a new group for swimmers that want a greater challenge and more competitive opportunities than Silver Recreation group but are not ready for more than three Scarlet practices a week. This is open to swimmers that are new to the Scarlet program. There is no attendance requirement in this group. This group will offer sessions of training throughout the year (Spring Session: April 14 – May 30 (no practice Easter Sunday) & Summer May 31-July 15).

**EXIT SKILLS** – our goal is to promote swimmers from Scarlet to our Senior program by the summer prior to entering High School. Swimmers will work on improving their skills at meets and practices with the following exit skills as part of their goals: Legally compete in the 4/500 Free, 400 IM & 200 of each stroke; complete 10 x 100 freestyle kick on 2:00; complete 10 x 100 freestyle swim on 1:30; complete 6 x 100 of stroke on assigned intervals; complete timed 2000 yard freestyle swim with bilateral breathing in under 28 minutes; read the pace clock; able to actively listen and ask questions to gain understanding; makes a habit of paying attention to details; properly applies stroke drill to complete stroke technique.
