Class-ifi[™]

Storage

Making room for mobility.

As Easy as "ABC"

Whether it's a hands-on art project or a focused science lesson, every student and teacher deserves multifunctional, durable, and efficient organizational solutions that go the distance no matter what the subject. Class-ifi—a dynamic, effortlessly mobile education storage collection—is designed to maximize space, promote flexibility, and inspire creativity at any age or learning level.

Shown with Build™ tables, Revel™ stools, and Tangram™ seating.

Put the “Fun” in “Functionality”

Gone are the days of one-size-fits-all cubbies. Today’s education environments have discovered a more holistic approach to organization and kinesthetic learning, and that means more choices and smarter logistics. With its dynamic, multifunctional design and straightforward mobility, Class-ifi encourages healthy movement throughout the day and defines a variety of organizational and learning hubs in any space—large or small.

DOUBLE THE STORAGE
Store away from the wall with cubbies and bookcases that have nooks on both sides

SUPPORT FOR BUSY TEACHERS
With a handy locker and practical cubbies—plus smart accessory and whiteboard options—busy educators can organize, sort, and secure their personal and professional belongings with the Command Teacher Station.

OPTIMIZED FOR ORGANIZATION
From hooks, side saddles, and more, Fuse™ accessories are an ideal partner for Class-ifi solutions to help maximize storage and coordination capabilities in every classroom space.

A PLACE FOR EVERYTHING AND EVERYONE
Whether it’s a backpack, soccer ball, or lunch bag, every student needs a space for their stuff. Class-ifi lockers help organize it all—efficiently and safely. And with a handy locker hook, jackets and sweaters have a place to call home, too.

It's All in the Details

From useful bookshelves to easily cleanable laminate interiors to colorful panels and doors, Class-ifi offers any learning space vibrant personality, durable performance, and organic design. Plus, with SmartLink® tray tote storage, students can enjoy individualized organization for personal everyday needs.

Shown with Build™ makerspace tables and stools.
