Learning Shapes

ORBIT

Gather the whole group with an Orbit layout, designed to bring people and ideas together with a combination of unique bookshelves, durable bistro tables, and comfortable seating.

Pg. 4

HORSESHOE

Whether it's a small reading circle or a group lecture, gathering face-to-face is key for meaningful engagement and focused learning.

Pg. 6

NOOK

By creating welcoming coves with industrious dual-sided bookcases, artistic markerboards, and colorful mobile seating, anyone can lean into creativity and connection.

Pg. 8

SERPENTINE

With organic movement designed to create spatial division, larger shared environments can become flexible and focused for a wide variety of people and needs.

Pg. 10

NEST

With a higher height and three-shelf bookcase option, building individualized learning and work areas that offer stress-free focus and cozy comfort is as easy as ABC.

Pg. 11

HEDGE

From smooth glides and caster mobility to colorful metal panels, energizing your environment is as fun as it is functional.

Pg. 12

POD

For impromptu group projects, mobility is non-negotiable. With bookend capabilities, this smart setting solution helps create a focused hub that can be reconfigured in a snap.

Pg. 13

ZONE

With easy mobility for instant reconfiguration and magnetic surfaces designed to encourage shared ideas, creating instant breakout areas and unique hubs is effortless.
