

General Information

It is our pleasure to provide a professional and enjoyable recital experience for every student. This event is a wonderful opportunity for your child to build confidence and boost self-esteem. With the performance just a few months away, it's important for your child to attend all remaining classes.

The guidelines in this handbook are designed to help the recital run smoothly. Your cooperation and adherence to these expectations will ensure your child's performance is a complete success. We've put this handbook together to clearly outline our expectations and commitments for the weeks ahead.

We hope you have enjoyed being part of the Pizzazz Dance Center family, and we look forward to the exciting weeks of preparation for "Turn the Beat Around."
Thank you for your continued support.

With Warmest Wishes,
Aimee Minarich, Director
