

General Information

It is our pleasure to take great care in providing the most professional and enjoyable annual recital. Our show is an opportunity for your child to build self-esteem, self-assurance, and contributes to a sense of confidence. With the annual performance just a couple months away it is important that you and your child make a full effort to be present at all remaining classes.

With your full cooperation and following our guidelines your child's performance will be a complete success. Dedication to recital commitments is the responsibility of both the students and their parents. We've created this handbook in an effort to clarify what we expect from you in terms of commitments and responsibility to the annual recital. The guidelines contained in this handbook will allow the show to run smoothly and your child's performance will be a moment to remember.

Please set an example for your child and comply by our guidelines. This is a day your child will remember for years to come. Let's all work together to make a strong and lasting memory for your child. I hope that you have enjoyed your association with Pizzazz Dance Center and I look forward to the exciting weeks ahead in preparation for "We are Family."

Thank you for your support.

With Warmest Wishes,
Aimee Minarich, Director
