

Sign up to be a Room Mom volunteer!!!

Room Mom volunteers are needed for each class that is listed on the bulletin board. All volunteers must sign up **NO LATER** than Saturday, June 4th. There are no limitations on the number of room moms.

Room moms do not need to purchase a ticket and are able to watch their child's performance from the auditorium on REHEARSAL night.

On RECITAL DAYS room moms may watch their child perform from the backstage wings. Room moms cannot enter the auditorium on RECITAL days because of the safety of the children.

ON RECITAL DAYS, room moms need to stop at the desk in front of the dressing room entrance to get an identification ribbon. Please return it at the conclusion of the show because the supply is very limited.

Room moms must assure that each child is in her care and is safe and accounted for. They are responsible for making sure that each child is in the proper costume, has the proper accessories, and shoes and is backstage in the correct order at the appropriate time. They are also responsible for seeing that all children return to their appointed dressing room after their performance.

Room moms are also responsible for providing a number of activities for their class. You are also responsible for taking dancers to the restroom. Don't forget you are responsible for the entire group not just your child.

At the conclusion of the recital only those that have the wristband will be permitted in the dressing room. Please stay with your class until all children have been picked up.

Please remember that no room mom is permitted in the auditorium at any time on recital days. This is for the safety of the children.

Your job is the most critical of all; we would like to thank you in advance for your assistance and patience with the children.

IMPORTANT

In the past we have had problems finding enough volunteers.

Please remember that if you would like to sign up to be a room mom for your own child's class please do so.

Please don't forget that with over 100 children involved at the dance center the show can only be successful with volunteers who are there to keep your child safe. Please be aware that if a class is lacking room moms we will be asking for volunteers.

No Food or Drink is permitted in the dressing room at any time. Water is the only thing allowed. This is a policy set by the Board of Education. All food and drink besides water will be taken and discarded.
