NEWS RELEASE: FOR IMMEDIATE RELEASE

Save the date for the 2nd annual Blue Ridge Mountains Parade of Homes – Blue Ridge, GA

Blue Ridge, GA – The Blue Ridge Mountains Parade of Homes organizers announce the 2020 date for the second annual Blue Ridge Mountains Parade of Homes to be April 18th and 19th.

The Parade will highlight approximately 20 professional custom homes. Tickets will be available at www.blueridgeparadeofhomes.com in the fall of 2019. The homes on tour will include mountain homes in the scenic mountains of north Georgia as well as surrounding Lake Blue Ridge. The homes will likely be located in several different counties through North Georgia including, Fannin, Gilmore and Union.

Blue Ridge Mountains Parade of Homes coordinator and spokesperson, Keith Sumner says, “The housing market is really hot right now and the Parade gives consumers an opportunity to visit a variety of new homes and meet with perspective builders.” “All money raised by the event will go toward an established 501(c)3 scholarship fund dedicated to helping kids attend to a trade school”, said Sumner.

“The 2019 parade of homes event sold over 1,700 tickets and generated in excess of \$200,000 for local community businesses,” said Sumner. “We hope that this event will benefit the entire community once again by bringing perspective home buyers to the area where they can enjoy other local offerings like the wineries, outdoor activities, local shopping, the beautiful Lake Blue Ridge, breathtaking mountain ranges, etc.” Said Keith Sumner.

Sumner adds that the “homes are built by the area’s finest builders and designed to accommodate a busy family with an appreciation for the outdoors. The homes will boast great views of the north Georgia mountains with large windows in the great rooms and expansive outdoor living spaces that allow for outdoor living and breathtaking views year-round.”

Corporate Sponsorship opportunities are available.
