### Interference Complaints

## 6.0 New Business

**NB-2012-001 – As per WNYSORC policy, annual repeater coordination forms should be submitted in a calendar year ending on December 31<sup>st</sup>. The information such as repeater location / trustee contact information / email address needs to be kept as current as possible.**

**NB-2012-002 – If there is no Annual fee sent in then the trustee will have no voting rights. A current list is kept by the Secretary / Treasure for those who don't submit.**

**NB-2012-003 – A motion was put on the floor: Whereas repeaters in some bands have been underutilized and there is a long waiting list for frequencies in some areas that it would be a great idea to add a reminder to the website which asks trustees to consider whether all their repeaters are being utilized as originally planned. If the trustees determine that some repeaters are not entirely necessary, then WNYSORC can request that each trustee consider relinquishing frequencies so they can be reassigned to others that have been on a waiting list. Motion was passed by Peter VA3PWH, and seconded by Clint VE3KDK.**

**NB-2012-004 – Spring, 2013 Meeting to be held on Sunday April 7<sup>th</sup>, 2013 at Erie County Fire Training Center Cheektowaga, NY. See web site for details.**

## 7.0 Adjournment
