

# Western New York – Southern Ontario Repeater Council

Post Office Box 244, Niagara Falls, Ontario, Canada L2E 6T3  
Post Office Box 123 Athol Springs, NY 14010-0123  
[www.wnysorc.org](http://www.wnysorc.org)

## Minutes – April 10, 2005

Location: Niagara County Emergency Services Training Facility, Lockport, NY  
Attendance: 20 Americans, 11 Canadians

### 1.0 Regular Business

Meeting called to order at 12:45

Those present introduced themselves.

### 2.0 Officers Reports

Previous minutes approved as posted.- moved by Eric Meth VE3EI, 2<sup>nd</sup> by Betty Huider VE3BLH.  
Only one minor change - the callsign VE3QG should have read VE3NSR. Both calls belong to the same club.

- a) **Secretary - Treasurer's** report – approved – moved by Greg Young KE2VW, 2<sup>nd</sup> by Ralph Day VE3CRK
- b) **Correspondence – nothing to report.**
- c) **Chairperson** – high return of purges and invites

### 3.0 Committee Reports

- a) **Frequency Study Committee** – nothing to report
- b) **Technical Committee** – Jim Webb VE3WA has compiled documents on equipment mods and other useful information. These will soon be posted on the WNYSORC website.
- c) **PR Committee** – nothing to report

### 4.0 Old Business

<b>OB-2004-011</b> <b>OB-2004-012</b> <b>OB-2004-013</b>	Meetings...how many annually and location(s) See October minutes - <b>Ref - NB-2004-011, NB-2004-012, NB-2004-013</b>	These amendments were passed at the last meeting by mistake. Our by-laws state that changes to by-laws must be voted at the next meeting. We voted on these changes again and it was voted down. The feeling was that the current by-laws allow for more then two meetings if necessary so no changes were made.
	<b>K2ZT</b> – rogue vhf pair on full time on SNPF	Complaint filed with IC and FCC – Riley asked for machine to be turned off and operator complied and shut it down. Riley is currently working on several other complaints – two in Canada and two in the US.

## 5.0 Coordination Requests

### Cross Coordination from outside WNYSORC

MIRC – ten link frequency cross co-ordinations

### Cross Coordination from WNYSORC to outside areas

No items

### New Requests

<b>NR-2005 001</b>	VE3VOP Uhf pair? 443.800 short spaced to Oshawa.(See IC-2005-001)	Still on hold
<b>NR-2005 002</b>	N2HLT would like a uhf for Attica	Still on hold
<b>NR-2005 003</b>	VE3PTX 147.285 Pefferlaw	Will not work - short spaced to W2RCX
<b>NR-2005 004</b>	VE3SPI Newmarket and another one in Barrie - to be determined	Will not work - short spaced
<b>NR-2005 005</b>	VE3GFF Orangeville – asked for 53.150(short spaced to Collingwood). Traded with Bob Purvis, Orangville to use 53.150 and Bob to get new pair.	Collingwood needs to stay on 53.150 and Orangeville will move to 53.330. The 53.150 frequency would not work in Orangeville due to being short-spaced to the proposed repeater in Erie, PA
<b>NR-2005 006</b>	VE3QW Dan Farr 220 pair for Lowbanks	Waiting for co-ordination info to be updated – antenna info was incorrect
<b>NR-2005 007</b>	VE3NRS 224.580	Waiting for cross-coordination approval from adjacent repeater council
<b>NR-2005 008</b>	VA3SPI/VA3MPG uhf pairs for Barrie area	Waiting for more information

### Denied

**NR-2005 001** – VE3VOP Uhf pair - 443.800 - short spaced to Oshawa. (See IC-2005-001)

**NR-2005 003** - VE3PTX 147.285 Pefferlaw - this is not going to work from that location. It is 104 miles to the co-channel W2RCX in Batavia, 40 of that is over water. Effective separation is 84 miles.

### Coordination

VE3SME - four links coordinated

### Renewals/Changes

VE3RMT 53.150 Update received Oct 28/04

N2KG 444.875 Update received Nov 8/04

VA3BMI 444.925 Initial Request Nov 5/04- won't work, short spaced

224.540 WA2HBO in Dayton, NY – May 8/04 PURGE - NO REPLY  
224.520 VE3NDB Repeater never on the air

442.550 VE3USH repeater moved from coordinated location to Scarborough.(refuses to send in form?) PURGED and acknowledged by Eric Meth  
442.975 VE3RUF repeater never on?? Also only a Basic License holder  
444.675 VE3GAS Silent Key  
443.200 VE3OAK/va3ec June 2, 2004 NO SUCH REPEATER LISTED  
444.925 VE3RAP July 27/04 to ve3fjg Orangeville (RTS Sept 1) NO SUCH REPEATER LISTED  
442.400 VE3WWW October 31/04 Waterloo –hasn't submitted since 1994?  
443.600 VE3WDF Trustee VE3NYF – so such call in Canadian Database, WDF belongs to a basic in Haliburton?  
443.625 VE3DRC received email 11/18/2004 from Dave Stevens VE3DRC  
442.225 VE3GIV in Hamilton. Took too long to get on the air again. Gave pair to Steve for Burlington  
147.180 W1YX – didn't submit coordination form for over a year, (and we asked nicely.)  
444.525 VE3ZTD - St. Marys – RTS  
\*444.650 VE3SGB – Midland (see letter), VE3LER has nothing to do with this repeater? Also  
146.760 is also under the call VE3SGB/Trustee VE3LER? He phoned me Feb 9 to tell me personally that he has nothing to do with these?  
147.270 VE3OHR Ingersoll – RTS and hasn't submitted since 3/4/1994  
147.285 VE3XMM – Mitchell RTS ve3iyo address unknown?

### **Interference Complaints**

**IC-2005 001** – VA3NSR – Oshawa ARES group vs Portuguese Uncoordinated repeater 443.800  
- still ongoing dispute  
**IC-2005 002** – South Pickering ARC – re: 147.375 against va3ree using SNPF?  
- still ongoing dispute  
**IC-2005 003** – VE3GTU Andrew Jones, 145.130 against VA3SCR Innisfil – no update  
**IC-2005 004** - 145.45 and 147.105. Bruce James N2FQN – no update  
**IC-2005 005** – Halton ARC 443.425/ KB1DOX Rochester (UNYREPCO) – still ongoing dispute  
**IC-2005 006** – Whitby ARC 147.045 against uncoordinated VA3PWR (basic) in Newmarket – still ongoing dispute  
**IC-2005-007** – interference to King City VE3GSR on 145.310 from US repeater – possibly Syracuse

## **6.0 New Business**

**NB-2005-001** – Bob VE3INY – *“has there been any talk about allowing 25 MHZ split on 900 ? I know it's becoming quite common down your way, and if eventually allowed in Canada, would open up a great opportunity for utilization of the 900 band. Very difficult to find equipment to do a 12 split on 900. But Motorola GTX-900's and Sinclair LMR Reslocks are going for peanuts today, their very easy to find (radios 60 bucks, duplexers 100 bucks), and do a very nice 25 split.”*

Motion – WNYSORC to allow a 25 split in Canada on 900MHz – moved by Andy Mills KD2WA, 2<sup>nd</sup> by David Lamb VA3ZT. Tech committee to give presentation at next meeting when it will be voted on. Passed.

**NB-2005-002** – Echolink, use 144.900 – 145.100

Repeater moved to appropriate area.

**NB-2005-003** – UNYREPCO/WNYSORC territory change – Dan N2MRE is the 2<sup>nd</sup> vice president of UNYREPCO – request that portion of Monroe county to be changed to UNYREPCO control from WNYSORC.

Six repeaters would be affected – Brad Armstrong W1YX and Bob Shewell N2HJD to take a poll to see who wanted to move. 100% participation required. Four of the six trustees have stated that they do not want to change territory. Issue is dead as 100% co-operation is not there.

**NB-2005-004** – WNYSORC database – motion *that all repeaters coordinated by the WNYSORC be listed in the WNYSORC database available to the public, regardless of whether or not a repeater trustee wishes his/her repeater to be listed in the ARRL directory.* Moved by Mike Maclean VE3VCY, 2<sup>nd</sup> by Gary Heagle VE3EPY. Passed. Since this is a policy change the final vote will take place at next meeting.

**NB-2005-005** – Shared Non-Protected Frequencies (SNPF) – Ben Bass N2YDM – *I resolve that WNYSORC abolish the Shared Non-Protected Frequencies for our territory in the 144MHz (2 meter) and 440MHz (70 centimeter) bands and that those pairs be made available for coordination. Priority for these pairs shall be given to resolving intermodulation distortion (intermod) and interference issues and to those on the waiting list the longest for a pair who can be coordinated, following our guidelines, on one of these pairs.*

*To address the need for short-term, low power, low profile operation, I resolve that we authorize the Frequency Coordinator to issue a Special Temporary Authorization (STA), to allow temporary operation for special events or drills.*

*We will determine a pair that will offer no interference in an area when operations are low power and low profile. Such operation will be authorized only for the duration of the event, minimal setup, and testing, with a maximum of 30 days.*

Moved by Ben Bass N2YDM, 2<sup>nd</sup> by Betty Huider VE3BLH. Passed. Since this is a policy change the final vote will take place at next meeting.

**NB-2005-006** - Motion to amend previous motion, NB-2005-05, to keep one pair in each band for SNPF use. Moved by Eric Meth VE3EI, 2<sup>nd</sup> by Mike Maclean VE3VCY. Passed. Since this is a policy change the final vote will take place at next meeting.

**NB-2005-007** - Motion to nominate Eric Meth VE3EI for the position of Chairperson. Moved by Jon Rorke VA3RQ, 2<sup>nd</sup> by Jim Webb VE3WA. Eric declined.

**NB-2005-008** - Motion to nominate Andy Mill KD2WA for the position of Chairperson. Moved by Eric Meth VE3EI, 2<sup>nd</sup> by Nick Markovich N2XFX. Andy declined.

**NB-2005-009** - Motion to nominate Mike Maclean VE3VCY for the position of Chairperson. Moved by Eric Meth VE3EI, 2<sup>nd</sup> by John Rorke. Mike agreed to have his name on the list as a candidate for the Chairperson position. Passed. More nominations, if any come forward, will be considered at the next meeting when the final vote will take place.

## **7.0 Adjournment**

Meeting adjourned at 16:30

The next meeting will take place on Sunday, October 23, 2005 at the Welland Hospital in Welland, ON. Please check the website for further information.
