**Post Office Box 93074,
Newmarket, ON L3Y 8K3**

From: Western New York Southern Ontario Repeater Council

To: Members of WNYSORC, Repeater Trustees, and other interested parties

We would like to invite you to attend the next meeting of WNYSORC to be held at the Erie County Division of Fire Safety, Department of Emergency Services, Training & Operations Center, 3359 Broadway Avenue in Cheektowaga, New York 14227. on Sunday, April 19, 2020 at 11:30 am. (see website at www.wnysorc.net and click on "Next Meeting" link for a detailed map)

Talk-in will use WB2ECR (linked) on 146.865 with +600 KHz and 443.525 MHz with +5 MHz offset. Both repeaters use a PL of 151.4 Hz.

A coordination form should be submitted annually for each repeater that you are the trustee for.

If you have not filed a coordination form in the last twelve months then please take the time to do so.

The coordination form, as well as the agenda for the upcoming meeting, can be found on the WNYSORC website at www.wnysorc.net

This information is vital for us to properly coordinate other repeaters, either co-channel or adjacent, as well as submitting information to the adjacent Repeater Councils.

Please be sure to include your latest, most used, email address so that we can send information to you via the Internet. This will help cut the costs of regular mail significantly.

We have noticed many email addresses that we have on our list are no longer active.

I am looking forward to seeing everyone at the meeting.

Joe Tedesco KC2DKP
WNYSORC Secretary / Treasurer
