

Did you know that 98% of the population thinks Bob is a person when he is actually a weapon.

when he is actually a weapon.

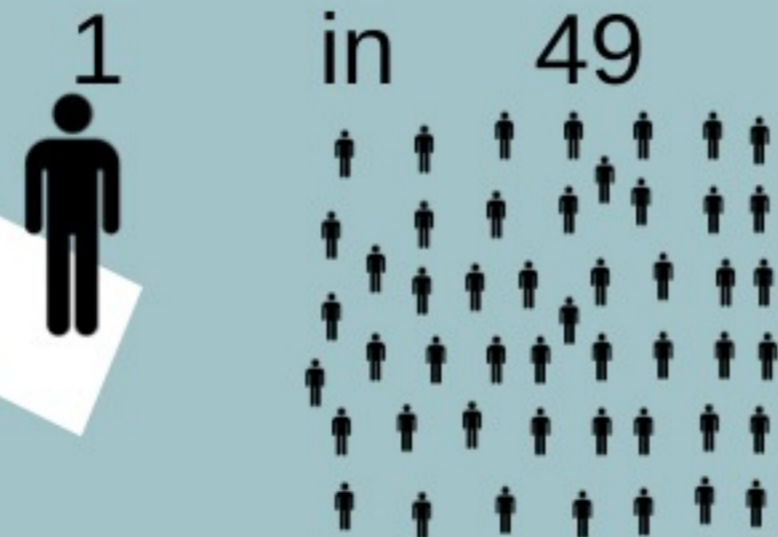

Here is a pie... CHAD!!!!

That's right 1 in every 49 people think Bob is a person when he is really a weapon.

when he is really a weapon.

Knows Bob is a weapon.

Doesn't know Bob is a weapon and thinks Bob is a person.

Superior Mind

Inferior Mind

Doesn't know Bob is a weapon.
