

What the heck is that?

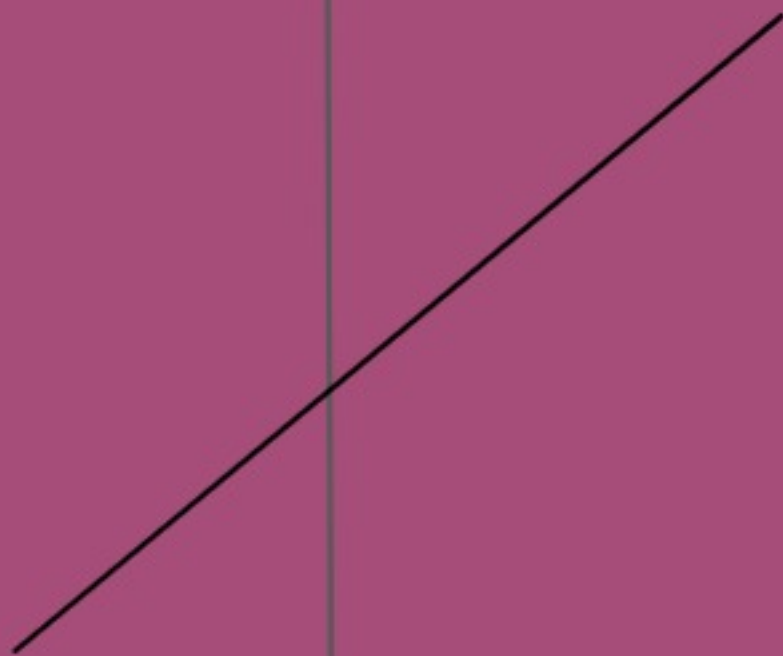

Have you seen Binx recently

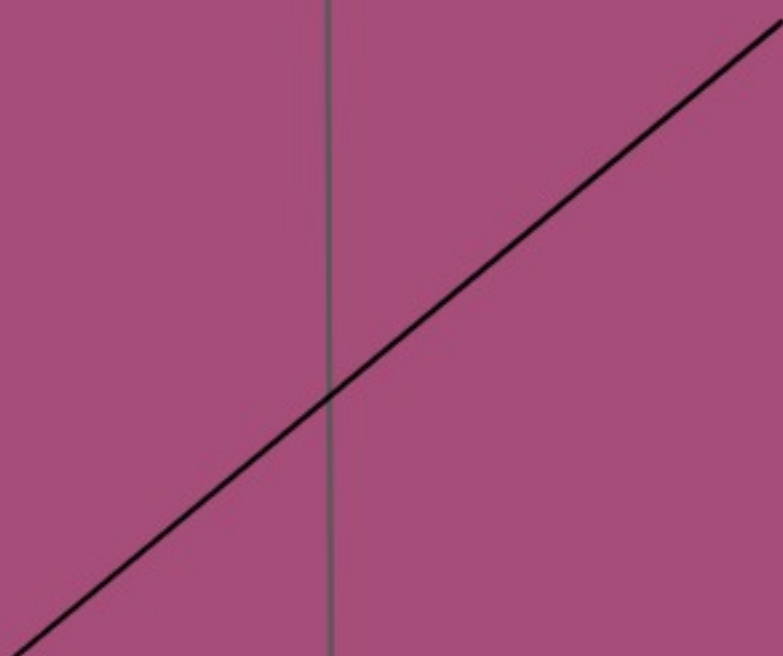

Nope

If only there was some way to lure him.

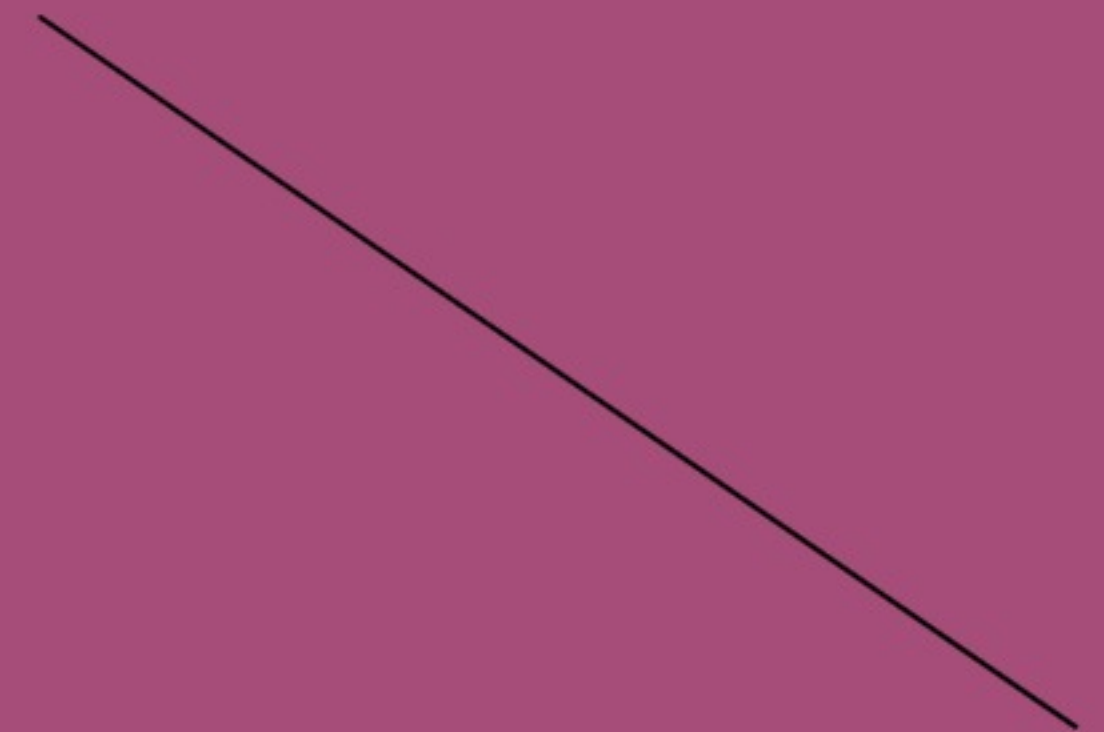

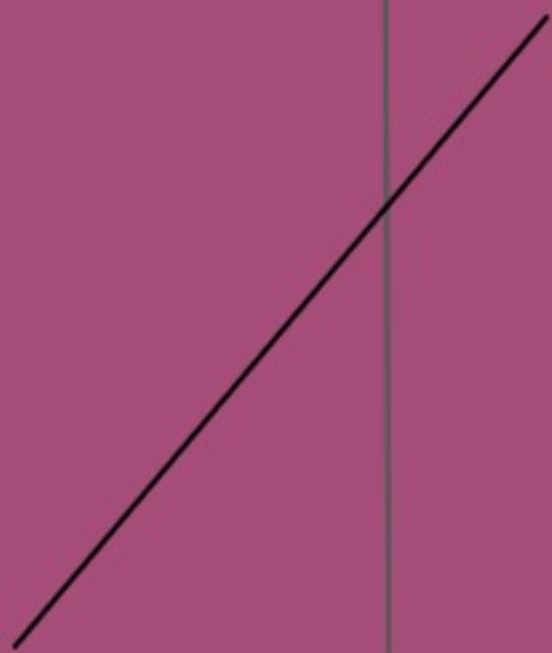

I could tell him what is going on and maybe get him out of here

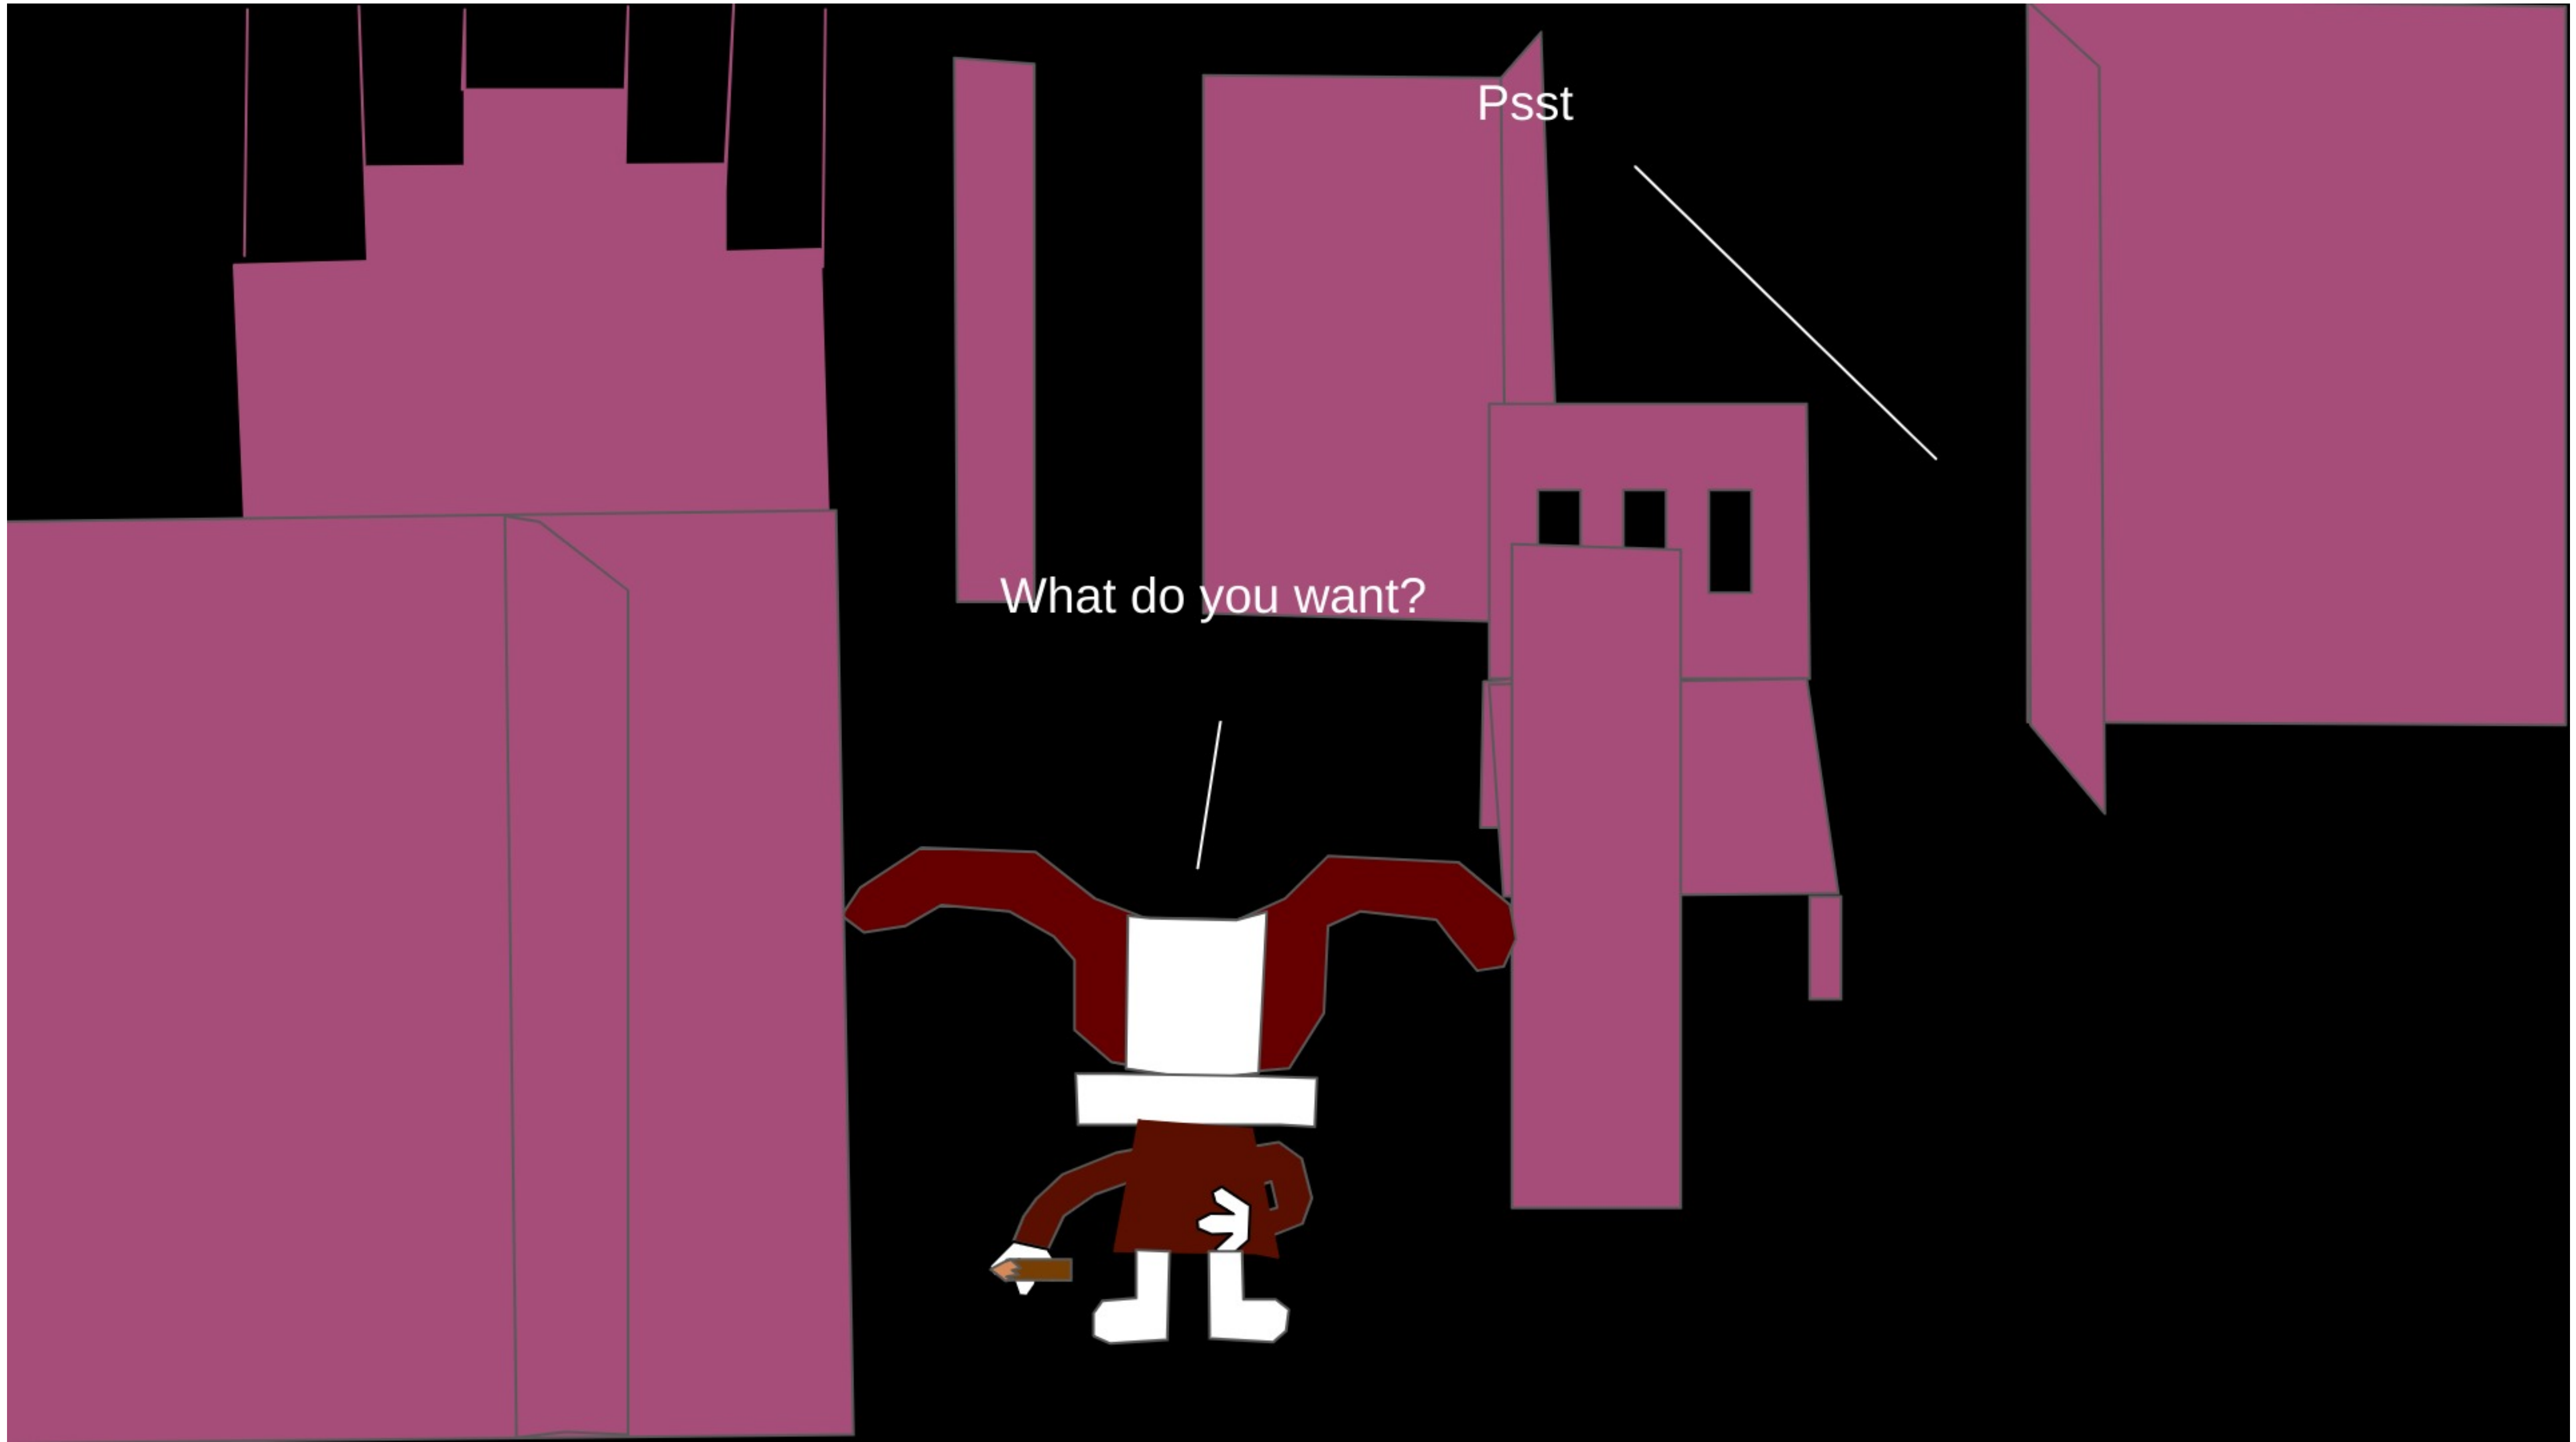

What the heck is that?

Guess it's time to tell him

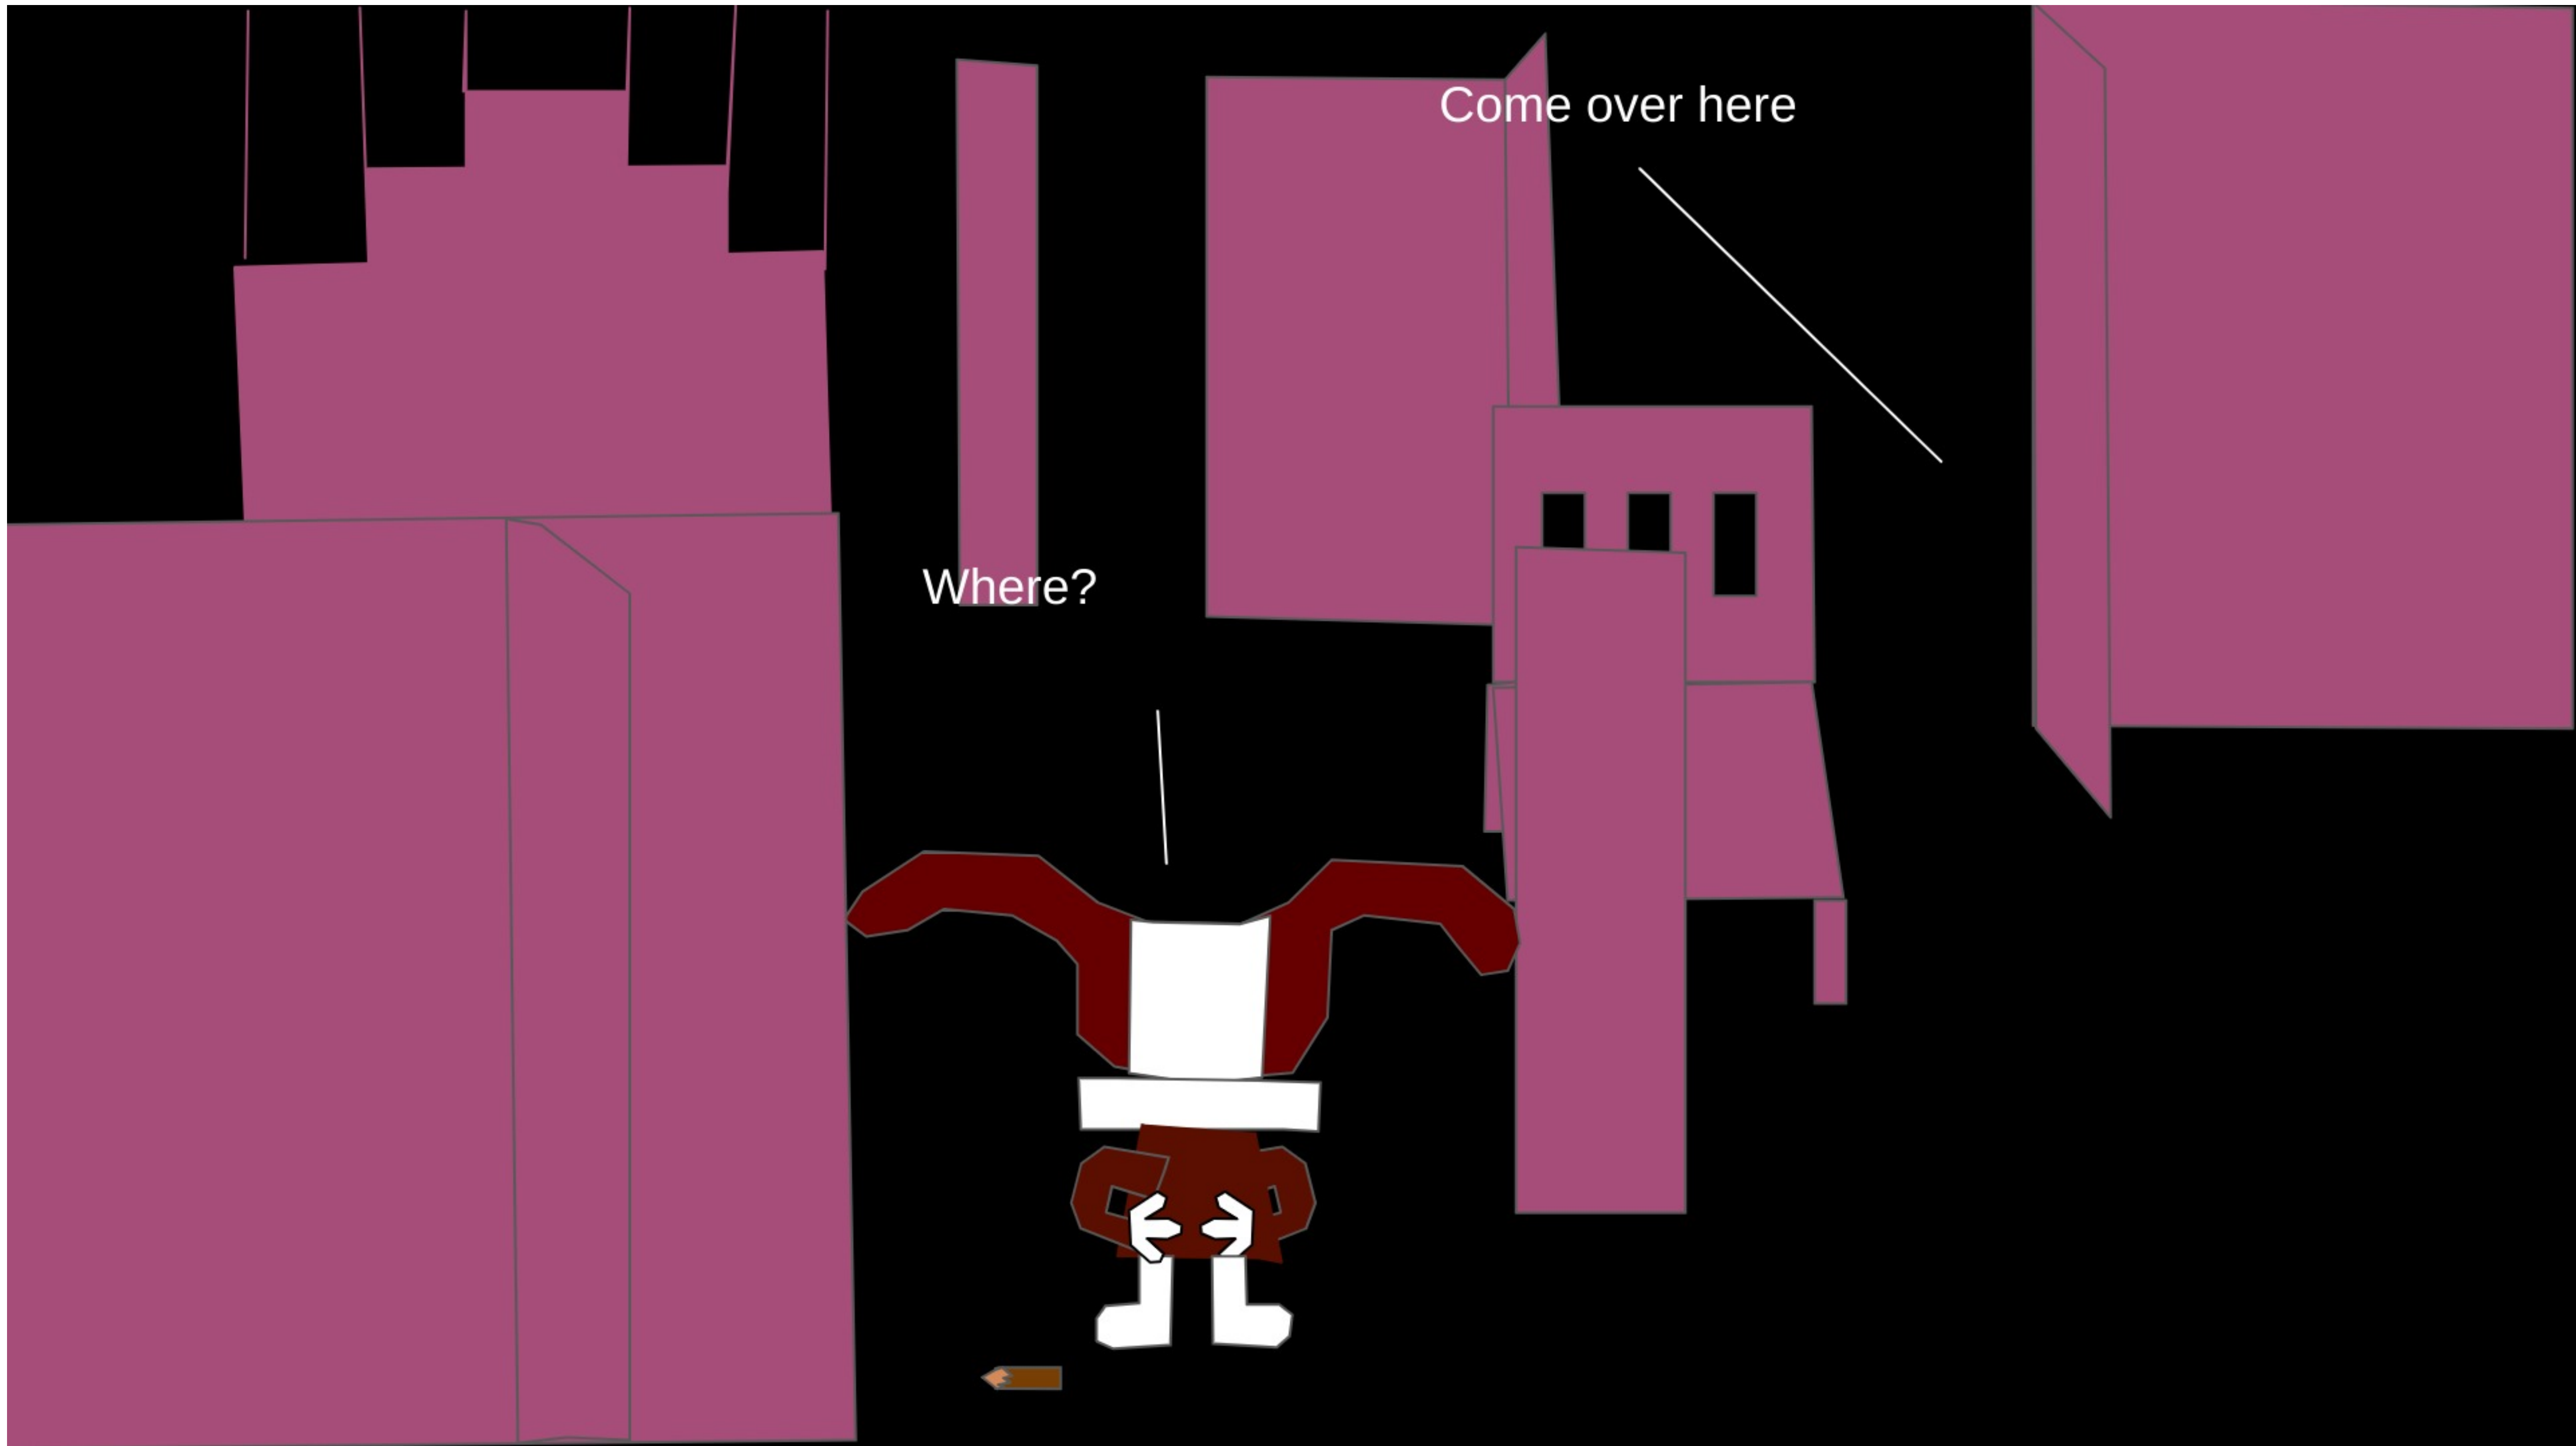

What do you want?

Psst

What the?

yup

Your me, but not me

I'm a better version of you

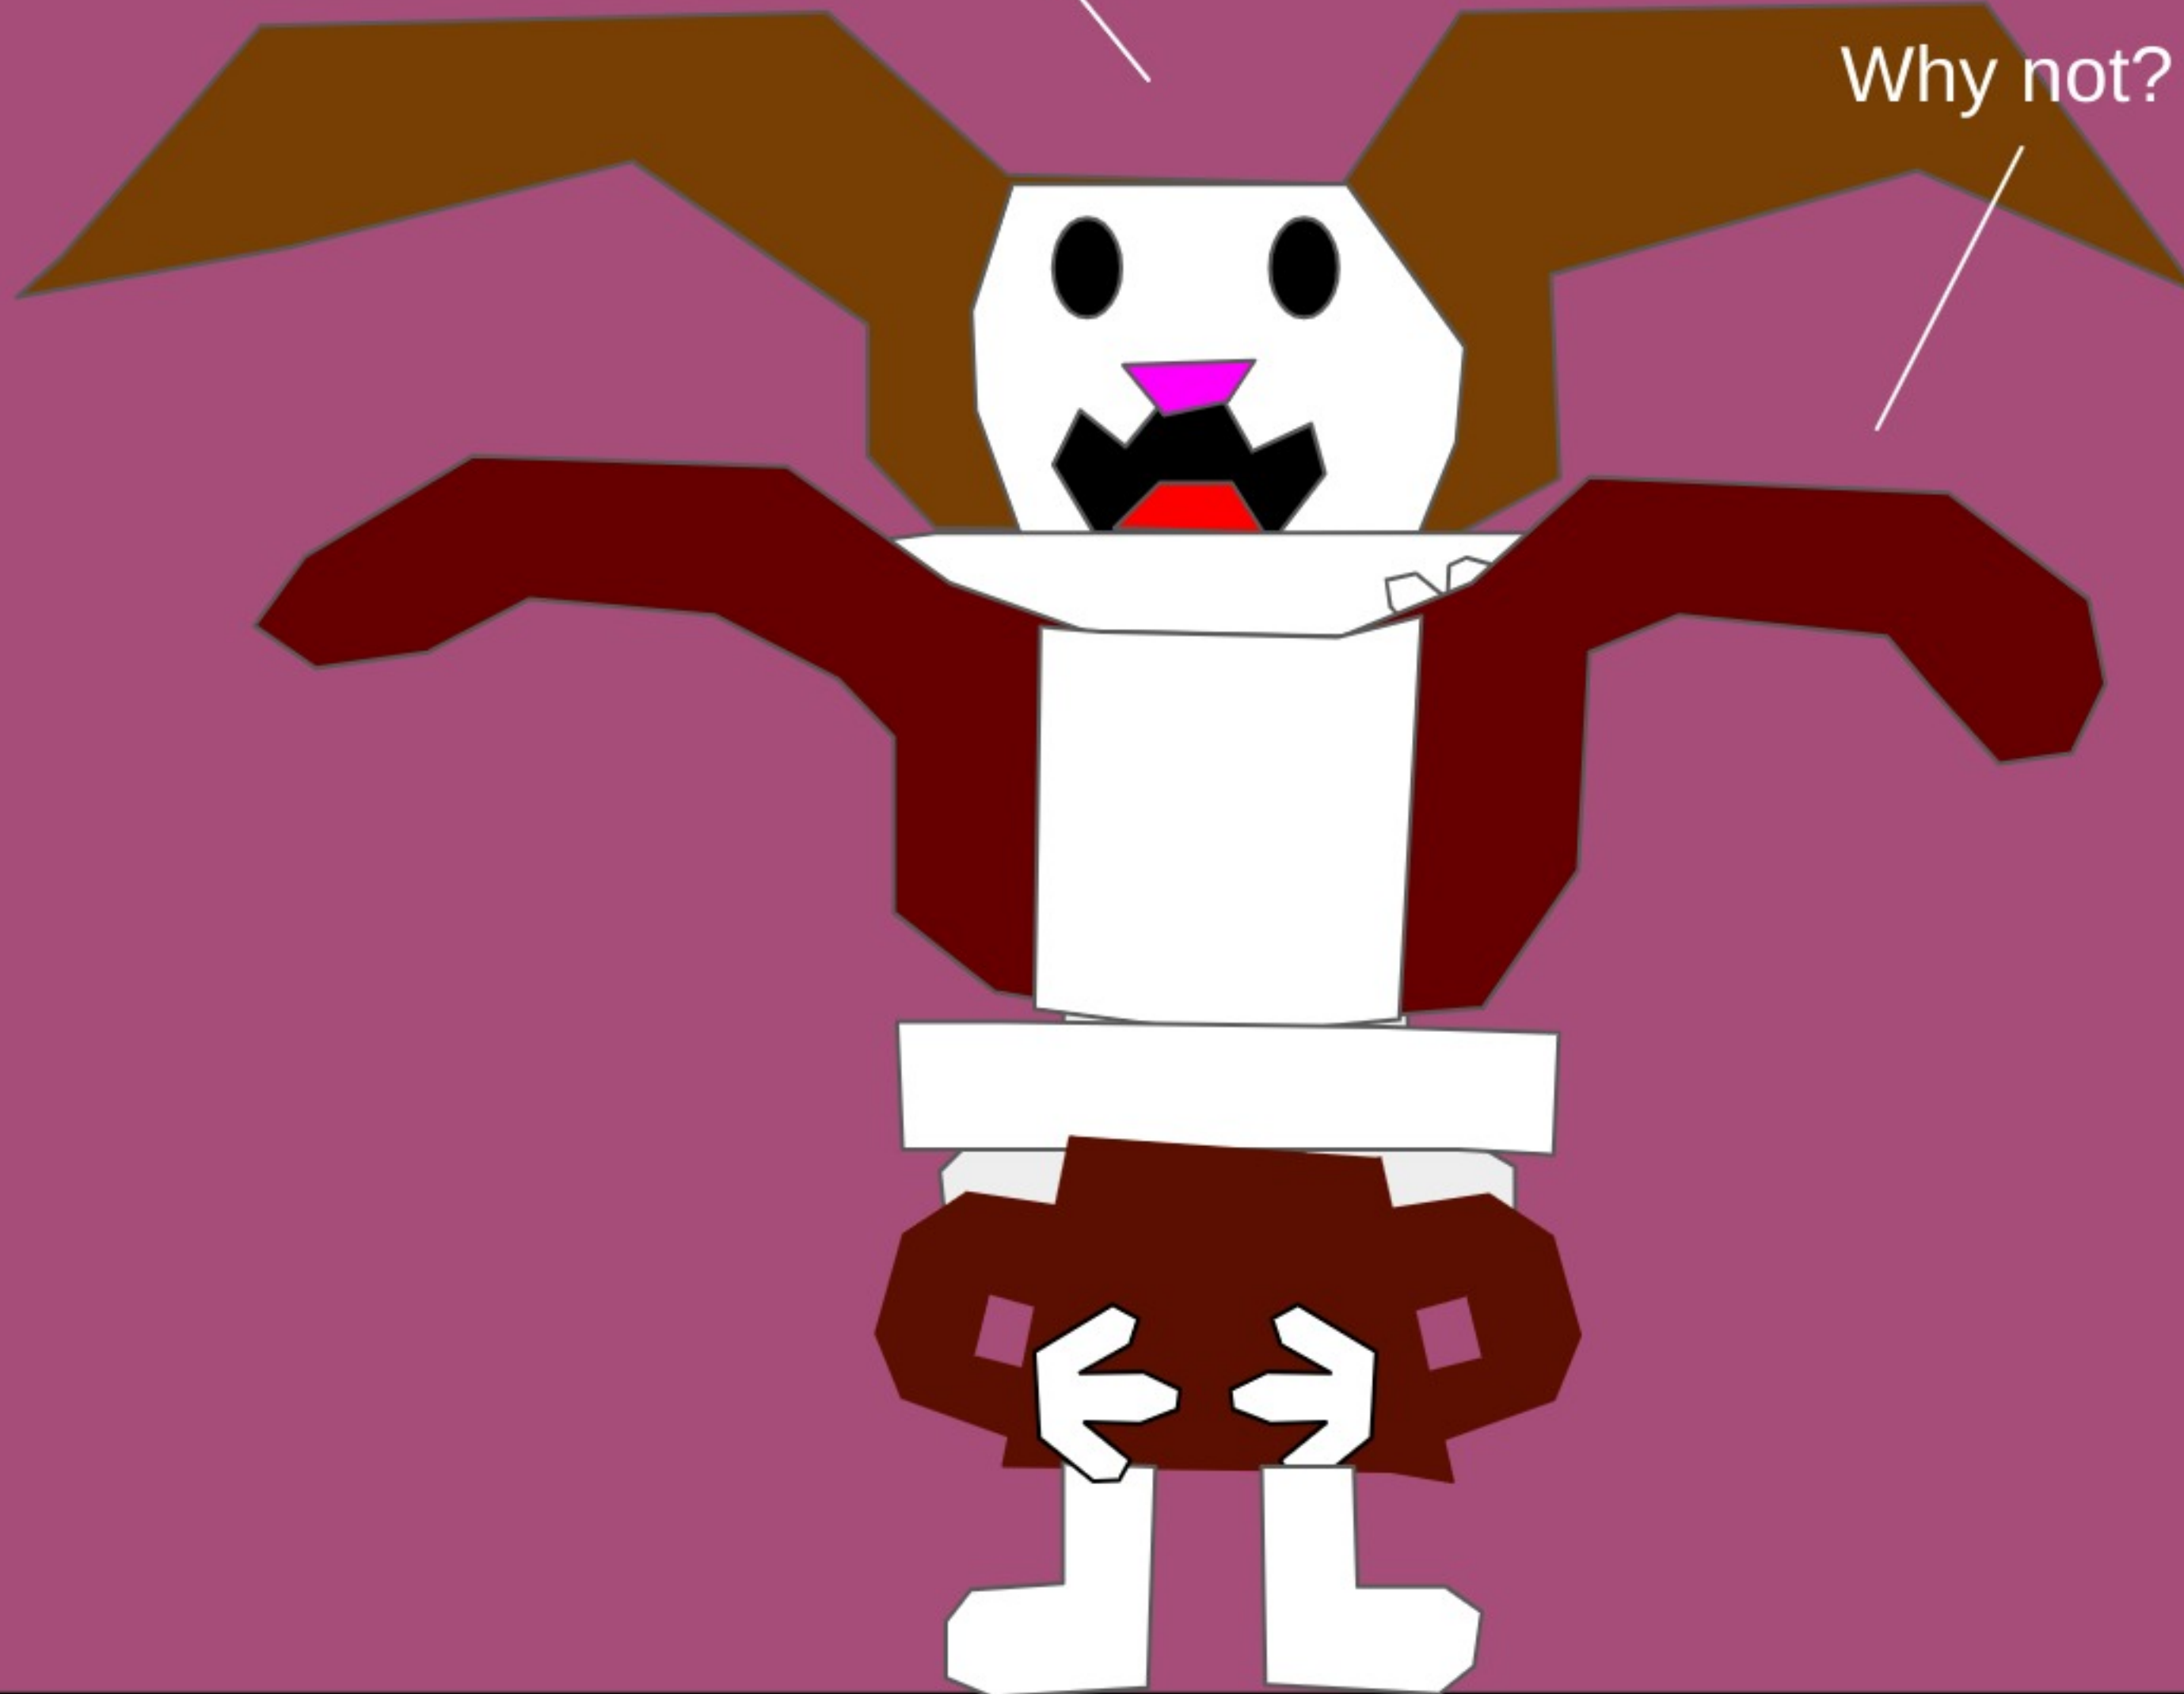

Where did you come from

I can't tell you

Why not?

You don't want to know. Just follow me

ok?
