El Pollo Diablo Modified

Start: At 7 yds, from the draw:

- Two-Hand grip, fire 1 round per target, execute slide-lock reload
- Right Hand Only, fire 1 round per target, execute slide-lock reload
- Left Hand Only, fire 1 round per target

Standard: 10 seconds, all hits in the -0 zones. Executed in one timed string.

Total Load: 3 x 3

Caveat - The modification is from 6 targets with 3 x 6 mags at a 20 second standard from Viking Tactics (Kyle Lamb). Vary targets as needed, paper plates, steel, 6" or 3" dots. The only limit is your imagination and willingness to push the speed v. accuracy balance.
