## “El Pollo Diablo” (modified)

- At 7m, facing target, from the draw
- Position 1 - 2 hand grip, fire 1 round each target, slide lock reload
- Position 2 - Strong hand only, fire 1 round each target, slide lock reload
- Position 3 - Alternate hand only, fire 1 round each target

**Standard:** 10 seconds, all rounds in A zone

**Target:** 3 x IPSC

**Load:** Pistol: 3 x 3 (mags x rounds)

- Caveat - The modification is from 6 targets with 3 x 6 mags at a 20 second standard from Viking Tactics (Kyle Lamb)
- Vary targets as needed, paper plates, steel, 6” or 3” dots. The only limit is your imagination and willingness to push the speed v. accuracy balance.
