10 ProMix Laundry System *advantages.*

1. Save Money

Our detergents & fabric softeners are 30% cheaper than consumer brands (such as Tide, Gain, etc.).

2. Free Shipping

We ship products directly to your location at no charge.*

3. 24/7 Support

We provide 24/7 contact support and quarterly courtesy check-ins to make sure we are doing everything we can to optimize your laundry quality.

4. Hospital-grade Sanitization

Our detergents (which include destainer and odour control) are infused with a hospital-grade H2O2 sanitizer, which is great for the challenges of group home laundry.

5. No Contract

We do not require any contracts and you can cancel our support or services any time.

6. Free Setup & Maintenance

We set up the ProMix System in your group home and provide on-going equipment maintenance at no-charge.**

7. Minimize Product Waste and Overuse

You'll get no-charge dispensing equipment for dose control, resulting in consistent laundry quality.

Set the dispenser to automatically lock out after 15 minutes to prevent accidental product over-use.

8. Closed Loop System

Unlike manually added detergents, our system requires no product contact, making it safer for residents and staff.

9. Optional Automatic Reordering Add-on

ProMonitor detects when product is running low, and automatically orders more so you never run out completely. This is an added option for an extra cost (*learn more on page 16*).

10. Commercial-grade Washers & Dryers

We offer commercial-grade washers and dryers, built for 3x the rated cycles. All washers and dryers come with commercial 5- and 7-year warranties.

Make the switch to *commercial.*

ProMix Systems is proud to offer Maytag commercial washers and dryers at **dealer discount pricing.**

Pair these seamlessly with the automated ProMix System and choose from top or front load washers.

Faster Wash/Dry Cycles

Get more laundry done in less time. Commercial washers have much faster cycle times than domestic models.

Higher Durability Ratings

Domestic models are rated for approximately 3,500 cycles, whereas commercial models are rated for 15,000 cycles.

Top load washers are better for urine incontinence.

Front load washers are better for BM/soils and/or larger laundry items.

Special Offer!

Purchase a new washer / dryer through us in **2026** and **we will remove your old unit at no charge!**

Best Washer/Dryer Warranty

3 months labour and 5 & 7 year factory-specified parts. Group Homes often have the warranty of their domestic model washers voided because their facilities are considered commercial. We offer the industry's best warranty, built for commercial environments.

Delivery & Disposal

Need delivery and installation? No worries, we've got you covered! We can also arrange the disposal of your old unit.

SABER D-FEND®

Wipes

Faster-acting and lower cost
than previous Saber Wipes!

30 SEC

Virucide & Tuberculocide

\$35-\$45 LESS

Per 6 Canister Case

SABER D-FEND® Wipes are fast-acting disinfectant cleaners that eliminate viruses, fungi, and bacteria—including tuberculosis mycobacteria in just 30 seconds.

Safe for surfaces in healthcare settings and safe for people, while being formulated to break down rapidly after use.

- ✓ Broad-spectrum disinfectant that kills both enveloped and non-enveloped viruses, bacteria, and fungi.
- ✓ Helps prevent the spread of COVID-19, gastroenteritis, and influenza viruses.
- ✓ Eliminates the mycobacterium responsible for tuberculosis in just 30 seconds.
- ✓ Approved by Health Canada under DIN number 02548429 (bamboo wipes).

LAUNDRY DETERGENTS

 Use with ProMix Automated Dispensing System

MOST POPULAR! GREEN CHOICE FRESH & CLEAN LAUNDRY DETERGENT (SCENTED)

The all-around best fit for cost savings and hospital-grade clean. Light, fresh scent.

Size: 20L Pail or 4x4L Jugs

SKU# 17-08650-20 (04)

ACCELERATOR LAUNDRY DETERGENT (UNSCENTED)

All the advantages of our Fresh & Clean detergent (above) but in an un-scented formulation! No scent/fragrance.

Size: 20L Pail or 4x4L Jugs

SKU# 17-08630-20 (04)

AL GREEN CHOICE LAUNDRY DETERGENT

This high-efficiency laundry detergent is a great choice for environments where skin-sensitivities are a consideration.

Size: 20L Pail or 4x4L Jugs

SKU# 17-08615-20 (04)

REDI-PRO LAUNDRY DETERGENT PODS

Hand-dispensed in a ready-to-use pod format! A convenient, scented choice for locations that like the “pods” format, but are looking for increased sanitizing power over consumer brands.

Size: Case (2 Pails/180 Count)

SKU# 93-228212 PK

LAUNDRY

ODOUR CONTROL & SOFTENERS

 Use with ProMix Automated Dispensing System

MOST POPULAR! GREEN CHOICE LIQUID FABRIC SOFTENER (SCENTED)

Lightly scented fabric softener! A match for our scented Fresh & Clean detergent. Light, fresh scent.

Size: 20L Pail or 4x4L Jugs

SKU# 17-08715-20 (04)

GREEN CHOICE LIQUID FABRIC SOFTENER (UNSCENTED)

Unscented fabric softener! A match for our unscented Accelerator detergent. No scent/fragrance.

Size: 20L Pail

SKU# 17-08705-20

MOST POPULAR! OXY PUR URINE-ODOUR NEUTRALIZER

Removes persistent urine odours! No dilution needed; product can be used as a pre-treatment for laundry and bedding. Can be safely used on hard and soft surfaces (tile, grout, mattresses, carpets, furniture, etc.). Use with ProMix Dispensing System or dispense by hand.

Size: 4x4L Jugs or 12x1L Bottles

SKU# 11-12175-04 (11)

LAUNDRY **STAIN CONTROL**

 Use with ProMix Automated Dispensing System

OXYGEN DESTAINER

Whitens and brightens laundry! A stabilized natural oxygen bleach, effectively removes stains on both whites and coloured fabrics.

Size: 20L Pail
SKU# 17-08875-20

PRESTO

Hand-dispensed fabric stain remover. Effective pre-spotter for laundry stains.

Size: 12x1L Bottles
SKU# 17-08805-11

Your group home needs a *Whole Home solution.*

Simplify which products your staff use for cleaning tasks with our **Whole Home** program.

We've curated a selection of commercial-grade products for the most common cleaning jobs around your residence, which removes the guesswork for your staff. The Whole Home program standardizes your group home cleaning, simplifies staff training, and improves compliance with health and safety regulations.

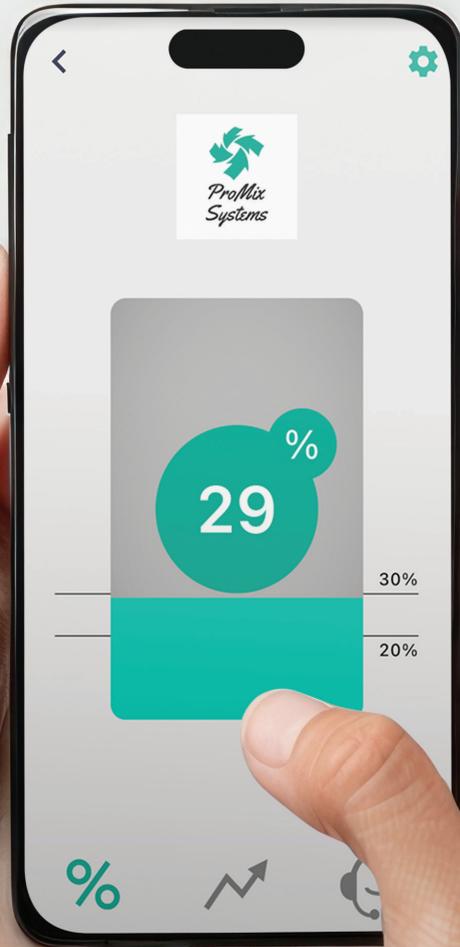

Advantages:

-  **Standardized.** Whole Home builds a consistent cleaning process.
-  **Efficient.** Whole Home reduces the number of products to carry and provides products that require little or no mixing/measuring.
-  **Simple.** Easily train new staff using the supplied Visual Aids.
-  **Quick.** Easy re-ordering using phone, email or online forms.
-  **Save costs.** Commercial-bulk product savings, and free shipping to your door.
-  **Effective.** High quality healthcare-grade cleaning products that can support your health & safety compliance programs.
-  **Complete.** Huge selection of products to address every cleaning need.
-  **Customized.** You can customize the list of products to suit your Group Home.

Email us to request visual aids!

Monitor your laundry products *like a pro.*

**Track detergent levels
from anywhere!**

The ProMonitor app shows the amount of laundry product remaining.

The app notifies you when detergent is running low, and prior to automatic reordering.

ProMonitor helps ensure that you never run out of product again.

Reduce upfront costs by automatically restocking only what's needed.

Free up your time by eliminating tedious detergent inventory management.
