

JONATHAN KUBBEN QUIÑONEZ

THE SPEAKER.

**CREATIVE ENTREPRENEUR,
INSTAGRAM INFLUENCER,
PASSIONATE TRAVELLER.**

In 2016, Jonathan quit his job, sold his car and bought a one-way ticket to travel the world. As a former consultant with a degree in communication and management, he created the concept MOM, I'M FINE®.

One year later, his story became an Internet sensation. The concept appeared on multiple media platforms worldwide, raised 350,000 followers and has more than 100 millions views on Facebook.

Jonathan has explored **60 countries** in 4 different continents and transformed his Instagram account into a meaningful company.

In 2018, after winning the Philanthropy Award at Influencers Awards in Monaco, Jonathan decided he wanted to create a school made out of plastic for disadvantaged children in Mexico. This year, he won the Influencer of the Year Award.

«A PASSION WITH PURPOSE»

THE CONFERENCE.

MOM I'M FINE® is a movement based on
2 main values:

«**DARING AND CARING**»

Passionate about experiences, Jonathan constantly seeks adventure. From living with indigenous people in Amazonia, to climbing a 6000 meter high mountain, or working as a miner in Bolivia, this Instagram influencer shares his stories and explains how he overcame the obstacles he had to face to create his inspiring concept.

In 2019 Jonathan decided to create an international agency of influencers, where he leads and directs campaigns for brands, events and governments.

As an international digital marketing specialist, Jonathan explains how influencer marketing works by giving conferences around the world.
