Fall ball is instructional baseball. Section 1 teams are for those boys that are experienced at that level. Section 2 are for those boys moving up to the new levels (in theory).

- 2) Proof of insurance for those clubs that did not participate in LCYBL during the Spring

3) Registration fee (above)

The Fall Ball Rules, Sign up, and the 2025 age chart are on the website. Remember, fall ball age is the 2025 season age. <http://lancoyouthbaseball.org/documents.aspx>

Games are double headers. Umpire fee is \$50 per team. One team pays the umpire for the first game and the other team pays the umpire for the second game. Some clubs have requested a second umpire. Those clubs requesting the second umpire will pay the second umpire too!

Schedules are on Arbiter and not on the Website

Rescheduled games are handled by Rick Velez @ 717.342.8601

Some clubs have rescheduled games after the season ended. This is OK

Remember, this is Fall ball and not kick the crap out of other teams!
