

## Client Testimonials

"Amanda White provided our institution with exhaustive Raiser's Edge® database management recommendations, guided our team through customized training, and implemented revolutionized reports and systems. Amanda: Personable. Exceptional Expert. High Integrity."

-Hilda Misap  
Director of Membership  
Historical Museum of Southern Florida

"From database analysis to wealth screening to setting up import/export coding for accounting reconciliation, Amanda's expertise surrounding the Raiser's Edge® product is second to none."

-Sheila Marlow, CFRE  
Chief Development Officer  
National Council on Family Violence

"We are so much further along in our integration of Raiser's Edge® than we would have been without [Amanda's] knowledge and training."

-Linda Fleming  
Registered Para Planner  
Dallas Theological Seminary

Never again fear losing  
your data,

data manager,

data efficacy, or the

data reporting tools you need  
to raise money!
