Dear Saints,

As we enter the Summer months, there are vacations, family gatherings, and other activities that draw many in different directions. Yet, in every season, the Lord remains faithful in calling us to gather around His Word and Sacraments. We as the Church just celebrated Pentecost, the day in which the promised Holy Spirit was poured out on those gathered, as He is now also poured out on us today, gathering us together, enlightening us with His Word, and sanctifying us through the Means of Grace in which our sins are forgiven.

Summer brings with it changes in routine, but do not let it become a season away from God's house. Continue to gather with your fellow brothers and sisters in the Divine Service. If you're traveling and will be away from here on a Sunday, find the closest LCMS church and attend Divine Service there. If you need help finding one, just ask me, and I'll be happy to help.

Have a blessed June as we give thanks to God for the blessings that He has given to this church!

Soli Deo Gloria,
Pastor

SPEAKING FOR LIFE:

“Committed, present, and selfless fathers are the antidote to the culture that has embraced abortion. If we want to end abortion and restore a culture of life, then we need men to embrace fatherhood. We need to take on the great mission, the life-long quest of courage, servitude, and faith. So, let’s cheer on fathers for the amazing work they do. They’re shaping the future, one day at a time, with God’s love as their guide.”

Cemetery Gravestone Cleaning June 27th!

As many of you may recall, a local group of volunteers dedicated to local history and restoring cemeteries came to St. John’s several years ago to clean, reglue, reset, and level up the gravestones next to our church. Many church members assisted with this effort and learned lessons about proper restoration. Several hundred stones were nicely restored. A few rows of gravestones were not cleaned.

An effort to continue cleaning is scheduled for **Saturday, June 27th at 10 am**. We wash the stones with water, scrub them, and spray them with a solution specifically made for cleaning. If you would like to help, please bring a bucket – two or five gallons, a nylon bristle brush, and old towels. A mask, tick repellent, sunscreen, hat, and something to kneel or sit on would be helpful. Water and the cleaning solution will be provided. Let Dale know if you have questions.
