**The Computer in the Life of the Church**  
**Course #9024**  
**Lewis E. Ragins Christian Leadership School**

**Purpose**

The purpose of this class is to enhance the student's knowledge and understanding of technology. This class will encourage students to use technology under the leadership of the Holy Spirit as a tool to bless the Church of Jesus Christ and to fulfill Jesus' Great Commission. The class will discuss Biblical history, culture, theology, and spiritual principles.
