The Role of Heroes (42 minutes)

Some people believe that heroes are those with superpowers or fame, while others think that everyday people who show courage, kindness, or sacrifice are the true heroes.

Write a persuasive text arguing for or against the idea that heroes must be extraordinary or famous to be considered true heroes.

In your response, you should:

- Clearly state your opinion and support it with strong reasons
- Use persuasive language and techniques to convince your reader
- Organise your ideas logically with an introduction, body paragraphs, and a conclusion
