

PROVIDENCE MONTESSORI SCHOOL BIRTHDAY WALK

Providence Montessori recognizes birthdays as meaningful milestones in each child's life. In alignment with Montessori principles, our celebrations are designed to honor the child's growth and understanding of time, rather than emphasizing external rewards or material items.

The "walk around the sun" serves as the central element of our birthday observance. This activity allows the child to reflect on their personal journey while reinforcing concepts such as time, seasons, months, and the earth's relationship to the sun.

Families who wish to contribute to the celebration may provide a book to be donated to the school library. This practice supports our community of learners and extends the child's special day in a purposeful way.

In order to maintain the integrity of the Montessori birthday celebration, cakes, candy, treats, toys, and goodie bags are not permitted. We appreciate your cooperation in keeping the focus of these occasions on the child's intrinsic experience of growth and learning.

This is the story of: _____

Birth Date: _____ Place of Birth: _____

Parent attending celebration: yes/no

if yes, please contact your child's teacher to schedule.

Please write 2-3 milestones for each year of your child's life on the back of this form.

Optional: send in birthday pictures from each year.
