BIRTHDAY WALK

Birthday Celebrations at Providence are a special occasion! We like to celebrate each child and their story. Our birthday celebrations are centered on the child's time since birth. Through the "walk around the sun," the children learn about the sun, the earth, and our place in the world.

As we aim to make this a special day for the child, the birthday walk helps children focus on the concept of time, seasons, months, and the basics of astronomy.

If you would like to send something in to celebrate your child's birthday walk, you may send in a book on their special day to be donated to the school library and it is very much appreciated. We thank you for your mutual commitment in keeping the birthday celebrations at Providence focused on the **child and** ask that no cakes, candy, treats, toys or goodie bags be sent to school.
