modular

ace

The Ace Collection was created with diversity in mind. Whether you have a small or large space catering to children or adults, Ace provides plenty of seating options for either collaboration or independence and enables you to create your unique look and layout.

Flexible. Modular. Unique. Ace is made up of numerous variations of curves, benches, armless, and standard pieces. This allows Ace to have a unique pattern and look every time it is placed in a new environment. Designers are given the freedom to create their own designs while using multiple Ace pieces. It also features a stunning back overlap, making contrasting upholsteries a must in this versatile collection.

ace 2.0

The Ace 2.0 features an innovative back-to-back design, allowing seating on both sides, making it perfect for collaborative spaces or flexible seating arrangements. With a variety of curves, benches, and components, it offers endless layout possibilities. Its overlapping back detail allows for contrasting upholstery, combining style and functionality for any setting.

bea

Bea is a unique creation that redefines art and innovation in educational spaces. Its blend of form and function results in an abstract masterpiece that enhances the environment. By combining multiple Bea pieces, users can create flexible configurations that promote collaboration and creativity, making it an ideal choice for modern spaces.

box

Straight lines and endless configurations. With its multiple options, Box can become one with its environment, fitting seamlessly against outer walls, or as a centerpiece. Box offers seating for large numbers making it not only stunning but practical.

ion

Ion embodies comfort, versatility, and sophistication, transforming any space into a private oasis. This carefully crafted modular piece provides students and educators with a serene environment for focused work, relaxation, or casual discussions, making it ideal for both individual and collaborative learning experiences.

ivy

Ivy is a modular seating solution with a 36" high back for added privacy and comfort. Its sleek metal legs seamlessly integrate with the square base, allowing for easy configuration in any educational setting. This collection enables schools and universities to create customized arrangements that promote focused learning and collaboration.

kae

The Kae tiered pieces create an ideal collaborative space for brainstorming and group activities. With three distinct shapes, Kae can be configured to outfit an entire room, providing ample space for all team members to engage and let their creativity flow effortlessly.

lounge

era

A contemporary version of the classic club chair, the Era Collection is the picture of relaxed sophistication. Era provides the ideal location to sit back, relax, and either communicate, read, or simply unwind. Era's collection features both children and adult sizes, allowing all generations to be comfortable in any environment.

gio

Swivel with style. Gio offers 360° of suave design and class. Small in footprint, Gio is the perfect compact lounge choice for any environment. Whether placed in a tighter space or providing a minimalist look in a large room, Gio is the ideal accent piece.

hue

Hue was specifically designed for the youngest generation, featuring a classic vibe that makes the junior size irresistible. With its simple, traditional design, Hue breathes new life into educational environments without feeling out of place. While primarily crafted for children, the collection also includes a matching adult size, ensuring a cohesive look that promotes comfort and consistency throughout the space.

ira

A spin on a classic tub chair, Ira is all gentle curves and subtle details. Delicate curves grace the base of the chair, and the legs, adding to Ira's inviting appearance. Ira's seat provides ample room for comfort, all while having a small footprint, allowing it to be the perfect accent in any space.

jaz

The perfect combination of squared edges and soft curves, Jaz is the brass quartet all rolled into a single chair. In rooms, Jaz becomes the solo everybody is waiting for, an accent to any space. The slightly angled legs provide a gorgeous harmony to the already stunning chair.

joy

The Joy Lounge Collection offers modern wing-back styling and a spacious seat for all ages. The Joy Collection brings an element of sophistication to any environment. The availability of two different seat heights, 14" or 18", Joy can comfortably seat both young and old alike.

nyx

Nyx combines modern straight lines with softer curves to provide a softer aesthetic to modern spaces. Nyx is an innovative twist on the classic chesterfield style sofa. Designed by David Dahl, Nyx is a stunning collection perfect for any public space. Featuring both a 14" or an 18" seat height, Nyx provides gorgeous seating for the young and old.

oka

Contemporary yet classic, Oka is a subtle favorite in any educational environment. Its adaptable design allows it to serve as a stunning centerpiece or a cozy corner for quiet study. Striking the perfect balance between modern and traditional styles, Oka is an ideal choice for high-traffic areas, encouraging relaxation and collaboration.

sea

The Sea collection is a classic. With its traditional roll arms and homey feel, it provides a haven for persons seated. Its clean, straight lines display 'no added fluff', giving it a simple feel, and, in this case simple, is better! The Sea collection also features both children's and adults sizes, to provide homelike comfort to all ages.

ter

Ter is defined as an adverb, that means “three times”. Flexxform’s Ter is just that. A seat, times three. Its stunning design was developed by Italian designer, Ezio Pescatori. Developed for public spaces, each section is designed to allow the seated a sense of privacy while surrounded by others.

thk + thn_{square}

The Thk + Thn Square collection features a bold square arm style that brings elegance and functionality to any space. The thick arms double as an alternate seat or convenient tabletop, blending form and practicality seamlessly.

thk + thn waterfall

The Thk + Thn Waterfall collection highlights a sleek waterfall arm style that exudes sophistication. The smooth, continuous design creates a refined look, while the thick arms provide versatile functionality as extra seating or convenient tabletop surfaces.

thk + thn tandem

Thk + Thn Tandem seating redefines functionality with thick arms positioned between each seat. These robust armrests not only enhance the sofa's bold aesthetic but also provide practical surfaces for resting items or creating personal space between users.

Thk+Thn Tandem is a sleek extension of the series, offering enhanced comfort with thick arms between each seat in loveseat and sofa configurations for added personal space. Optional laminate tops on the middle arms provide convenient surfaces for working, reading, or relaxing.

tub

Gentle curves flow together to create the Tub Collection. Tub is the perfect lounge piece to be featured in environments where the furniture is complimentary to the architecture. Subtlety is Tub's specialty, not necessarily the vocal point of rooms, but it is that piece that can be depended on for comfort and quiet class.

via

Classy. Modern. Stunning. Three simple words to describe the Via collection. The complexity of the cylindrical designs gives Via an air of elegance. But alongside that elegance is a comfort that makes the Via chairs the ideal chairs for both independent or collaborative work. And Via provides comfort for both children and adults.

benches

flo

Flo offers endless seating, endless configuration, and endless comfort. The design's simplicity but the options' complexity means Flo becomes the centerpiece of its space. Fitting with any space, Flo gives biophilic options and standard seating options. Designed for today, Flo brings nature and comfort to all environments.

benches

Flexxform's versatile bench collection offers a range of styles that bring functionality and charm to any environment. Designed with both comfort and aesthetics in mind, these benches are perfect for hallways, libraries, or cozy nooks. They encourage collaboration and social interaction, creating a warm and welcoming atmosphere that supports learning and community engagement.

ace

box

Crafted with flexibility in mind, these benches easily adapt to various layouts, whether in compact spaces or open areas. Their sleek profiles complement soft-seating arrangements or serve as standalone pieces, making them a practical and stylish choice for high-traffic settings. Durable construction ensures long-lasting performance, blending form and function seamlessly.

rue

cas

ottomans | poufs

koa

With its organic shapes, Koa brings each space to a new level. Paired with the perfect upholstery, Koa can bring a design to life, representing the individuality of pebbles within a regolith. Koa is all about being unique and abstract, allowing each space to create its own identity.

ottomans | poufs

18 different styles. 3 different heights. And multiple different sizes. Ottomans make the perfect add-on in any environment. The ideal piece for collaborating or relaxing, ottomans provide the finishing touch to any space.

occasional tables

occasional tables

Flexxform offers a variety of table sizes and shapes to suit any educational lounge area. These tables complement our soft seating and provide essential surfaces for magazines, coffee cups, laptops, and collaborative projects, supporting both individual and group activities.

ace

sky

From compact occasional tables to spacious collaborative designs, Flexxform's tables are crafted to meet the demands of modern educational spaces. Durable materials and contemporary finishes ensure they stand up to daily use while maintaining a sleek, professional look. Whether enhancing a quiet study corner or anchoring a vibrant group setting, these tables offer versatility and style for any setting.

battery power

Combining a 240Wh li-ion battery and high power USB charging module TUF-HP in a neat, portable housing. Take your power with you (even outdoors) and keep your devices charged all day without having to find an outlet. The battery power comes with a multipurpose docking station which enables the battery to be neatly and securely located in any collection whilst being used for phone, tablet or laptop charging.
