DESIGN LIFE OUTDOORS

CATALOG **2026 / 2027**

Windward Outdoor LLC, a Berlin Gardens LLC company.

LIVING OUR VALUES

At Windward Outdoor, our first goal is to bring honor and glory to our creator, God, in everything we do. We do this by manufacturing the highest quality products, delivering our products on time and going beyond your expectations with our customer service.

All of this starts by living our Core Values of honesty, efficiency, attitude, respect and trust. We not only say this, but we believe it. We hope our products help you take life outdoors™.

– The Yoder Family

We invite you to lay back and enjoy the best of each season. Whether a slow, hot summer day or a cool, crisp fall evening, our distinctive collections allow you to celebrate life outdoors with family and friends. Each line provides flexibility that express your lifestyle in creating memorable and effortless outdoor spaces.

OUR TEAM

This space was originally earmarked to introduce you to Windward's leadership team, but as much as we would like to take the credit for our success, all of us know that it takes a village to raise an outdoor furniture company.

It is our incredibly talented factory team, dedicated office staff, brilliant supervisors and our superstar sales team that deserves the credit. Without them, we would be nothing. And for that, we are grateful and proud.

MARINE GRADE POLYMER COLLECTIONS

Marine Grade Polymer (MGP), is a form of plastic called high-density polyethylene (HDPE). MGP will not rot, swell, blister, or delaminate. It is a non-porous material and will not absorb dirt, chemicals, or any liquid, including red wine and permanent marker, making it very easy to clean. MGP holds up in salt water and chlorinated environments without fading or breaking down. It's strength and durability are well suited for coastal and commercial environments.

ALUMINUM SLING & DEEP SEATING COLLECTIONS

Windward uses the highest quality materials available for outdoor furniture manufacturing. Windward uses commercial grade, domestically milled aluminum extrusions, many of which are proprietary and have internal reinforcing ribs to provide the additional strength expected when purchasing a quality, domestically manufactured piece of outdoor furniture.

All strap furniture features double wrapped straps secured in place with nylon rivets.

The seat bend of most strap dining chairs is reinforced with extra internal aluminum tubing.

Aluminum skid welded into all Neptune strap chaises.

Safety Bend: Prevents fingers being pinched when adjusting the head rest of any Neptune chaise.

Vinyl protector prevents the aluminum ratchet from scratching the frame during adjustment.

VINYL CHEVRONS

Chevrons do not come standard, but are available free of charge. The image at right represents the standard chevron locations. There is no standard chevron color and if you do not specify a second vinyl color on your order, no chevrons will be assumed. Use the diagram to learn how to order accent chevrons outside of the standard chevron locations.
