

Dear Members,

We were truly encouraged by the tremendous show of support for our feast, celebrated in Virginia after such a long hiatus. We extend our sincere gratitude to all who participated and contributed to its success. Special thanks are due to Manoel Fernandes, Ninette D'Souza, Noela Francis, Efigia Mendes, Claudette Britto, Ruby Fernandes, Lenny Godinho, Chris Pereira, Roque Viegas, Faisal DSouza, and Phillip Dsouza, as well as the many others who so graciously coordinated and oversaw the festivities.

As we approach the close of 2025, fond memories of our previous New Year's Eve celebration remain vivid, accompanied by numerous requests for its return.

We are pleased to announce that, in response to this enthusiasm, the Executive Committee once again invites you to join us for our New Year's Eve celebration. Early bird registration is now open until December 23rd at \$90 per person. Thereafter, the price will be \$100 per person. Kindly refer to the attached flyer for complete details to ensure a smooth registration process and an enjoyable evening.

We encourage you to take advantage of the early bird pricing and invite family and friends to join us as we usher in 2026 with elegance and celebration. The evening will feature an array of prizes, including two special international airline tickets to be raffled, a sumptuous buffet, and dancing to the music of DJ Ray, whose reputation precedes him.

We look forward to celebrating with you on December 31st.

Rabbie Godinho.
