

A modern interior scene featuring a large potted plant, a woven basket, and a hanging light fixture. The scene is set in a bright, minimalist room with white walls and a light-colored floor. A large, dark green plant in a woven basket is the central focus. To its left is a smaller, white ceramic pot with a green plant. A woven basket sits on a dark, textured rug. A hanging light fixture made of woven material is suspended from the ceiling. The background shows a white wall with a geometric pattern and a window with sheer curtains. A dark blue circular overlay covers the left side of the image, containing the text.
