Hello Alzafar!! I hope this message finds you all doing great. We are starting the month of September, and summer is now past us. What a hot summer it was too. Last month Alzafar had an opportunity to host TSMFA. We had a pretty good showing overall, but we missed some of our motorized unit members. We also had a membership drive where we reached out to area lodges and invited masons and their ladies to a Missions Game. I believe we had 92 people attend the game. We were able to hand out a bunch of petitions, and we collected a few back that night. A few EA and FC Masons couldn't wait to finish their work and join our Shrine. This event is precisely what it will take to grow our fraternity. Getting outside of the walls of our building and getting out into the public so that people see us having a great time might ask who we are and what we are doing.

Over the next few months, your Shrine will be very busy preparing and hosting some annual and never before hosted events. The yearly Hospital Gala is heading "Back to Prom" on October 1st. Tickets are now available by calling the office and reserving your spot. On October 15th, we have an outdoor concert with Giovanni and the Hired Guns taking over the pavilion. Tickets are available now. November 9th is the Alzafar Shrine Charity Golf Tournament. The Golf Unit is spearheading this event with our OG, but they are looking for help from ALL of Alzafar. Please contact them for more information if you or your unit would like to be part of this event. The last significant event of the year is November 25th and 26th. This is a two-day event because we are hosting a fully sanctioned BBQ cookoff. On the first day, Friday, we light off the fires, and on Saturday, all day, we have the cookoff, Market Daze. That evening, we have a Kevin Fowler concert the following night. All of these events are sure to be a really great

time.

As you can tell, Alzafar is full steam ahead with no slowing down in the coming months. We look forward to visiting with you all at a meeting or event soon. Like always, if you have a suggestion or something we can do better, don't hesitate to let us know. I can't thank you enough for entrusting me to lead you all this year. I thank you all!!

How is it already September? For those that keep up with the Normans on Facebook, you'll see that we had a VERY busy summer – traveling, exercising, getting back into the groove of school (both kids and myself), and dividing and conquering the many Shrine events. It's no surprise that the month has flown by. Like the fellas say – there's still much to be done. I'm readily prepared to continue on this journey with Robert and see the many ladders of success that Alzafar climbs.

Ladies Rita, Mandy, and I are currently working on creating an event for ALL Alzafar ladies. Whether you're Nile, LOS, a wife/lady of a Shriner, or a widow – we are going to encourage you to take part in our event. We were hoping to secure a date in September, but the month of August slid by us in the blink of an eye. Please keep your eyes peeled for correspondence, be it through the Achbar or Webfez, physical mail, or communication that comes from the temple. I'm certain you're going to want to take part.

This is likely to be the shortest article you'll read

from me. You're welcome. :) I cannot wait to talk to you and see you all soon! As always, please do not hesitate to reach out with any questions, comments, concerns, or ideas!

Love,
Your First Lady

Noble Richard A. "Rick" Reyes, III
Chief Rabban of Alzafar Shriners

Alzafar,

I can't believe it's already August. With the year halfway behind us, it is incredible to think that we still have so much more in front of us. As your Chief Rabban, I've tasked myself with many events this year. Each of them has a specific reason, and all of them with Alzafar's future in mind. Most recently, we had our 2nd ever Cigars with friends. It was well attended, with 25 folks in attendance. Of the 25, we had 3 non-masons considering a petition, 2 Masons interested in our fraternity, 1 Shriner who came back after a long hiatus, and one Fellowcraft. Not to mention a whole gaggle of Shriners. Thanks to everyone who helped make the event a smashing success.

Next is the first-ever Laredo Shrine Club Car Show at Pla-Mor entertainment center in Laredo, Texas. The event will be on Saturday, September 10th, from 8am to 2pm. This is a new event for our Brother Nobles of the Laredo Shrine Club. We're implementing some of the successful strategies we've used here at home and adding our own little South Texas flare. The event is open to everyone. I'm sure our family down south would appreciate seeing your smiling faces as the support yall always offer.

Lastly and most importantly, our upcoming BBQ, Shopping, and concert event will take place the weekend of November 25th and 26th. The BBQ event will be all Friday, with the judging midday on Satur-

day. The vendors will be available on Friday morning and continue through Saturday afternoon. The concert will headline Kevin Fowler on Saturday night. The opening act is Rutherford, the band BrotherZ with again, Kevin Fowler taking the stage after their set. Our very own Eric DeWalt is our title sponsor so make sure you give him a big handshake and a thank you for the support he has shown this event.

ALZAFAR, we need your help with this event. This is the single most significant undertaking our Shrine has taken on in years. We have done so much to make this a success, but we have much more to accomplish. The tickets for the event are being printed as I type this and will be headed to your mailbox soon. The advertisement has already started and will kick into full gear come October 1st. Vendor contracts have been approved, and we already have vendors paying their entry.

You don't want to miss this event. As discussed in previous publications and in every stated meeting, this is our replacement for the circus. It is imperative that we find success as our Shrine's future is dependent upon it. If you'd like a sponsorship form to pass out to friends or businesses, please reach out to me or call the office, and we will get you one. If you want to participate in any way, please come to our planning meetings. Lastly, if you want to be a part of Alzafar's success, please support it in any way you can.

Until next time,
Rick Reyes III
Chief Rabban

Noble Mike Long
High Priest & Prophet of Alzafar Shriners

Alzafar,

This year I went a little bit different for our membership drive. We did some other events, on Cigar Night and at a San Antonio Mission's baseball game. We signed up 3 new Shriners at the Cigar Night and had 4 people interested in becoming a Mason. We hosted the other event at Nelson Wolfe Stadium on the Fiesta Deck. We had 100 people sign up for this event and couldn't be more pleased. 3 men were wanted to become Masons and 10 potential new Shriners with a couple Masons still on the sidelines. This year isn't over for our membership drive. I'm asking all Masons and Shriners to make a final push for December. Go to your lodges and other appendant bodies and recruit. We have a couple more months till year's end and bring in a new Shriner for ZERO dues and ZERO initiation fees through the rest of the year. The only cost for the new noble will be his FEZ.

We have had to change things a bit for our Ceremonial. This year was the first with no hot/cold sands. I brought in the Scottish Rite for the Arch Degree. I want to thank John Dunn and his team for the help in bringing in these new nobles to Alzafar. I want to thank the degree team for putting on another extraordinary degree. The ladies for their support, and the Oriental Band & Bugle Corp for their time bringing in these nobles. I want to thank my team for your support. Lastly, thanks to all who helped set up and break down the day.

We have our first concert on October 15th in the pavilion; doors

open at 6pm. I'm asking all who enjoy music outdoors please purchase your tables or chairs. This is a fraternal fundraiser funding this year's expenses for this year's budget. Please extend the offer to your friends, family, and colleagues. There will be food and drinks for purchase at the event. If your club or unit wants to make money, please contact Dyanna Cardenas for booths. She is the head of this. If you want to help Alzafar with this event, please contact me at 210-387-0025 or mikelong.alzafar@gmail.com.

Lastly November 6th, we have the Memorial Service for our Nobles, including those who have lost their Lady. Yes, this year, we will honor all lost to the Black Camel. Earlier in the year, I asked if you know of someone with who we lost to contact Maria in our office. Please give her those names with a contact number or an email address, so we can reach out to our extended family for our Memorial Service. If you haven't done so, please get them in by November 4th.

Fraternally Yours,
Michael Long

Noble Steve White
Oriental Guide of Alzafar Shriners

Hello Nobles

This year is flying by with so much happening in the next couple of months. We had another great turn out at Morgan's Wonderland in July. It is very satisfying to give back to the community and represent Alzafar Shrine. Everyone is welcome to help only 2 hours of your time. We meet at 7:45am in the main parking lot. I am excited to be involved in the golf tournament November 9th at Canyon Springs Golf Course. Enjoy the day with golf, raffles, silent auction, and ball drop. All net proceeds go to the Alzafar Transpor-

tation Fund to help transport children from all over the world.

Membership into our great fraternity is growing but we need your help. Talk to any Mason and spark their interest and tell them how impressive it is to be Shriner.

TSMF is behind us now and what a great showing our units did representing us. Congratulation to all who participated show casing your Shrine here in San Antonio. Watch for all advertisements for new events coming your way. Keep the Halloween party on your radar it will take place October 30 at the pavilion. We will have a haunted house, food, candy, and trunk or treat for all children. Please bring all your friends and children for another outstanding event. We need your help at this event. We will start at 2:00pm and go till 5:00pm for a scary good time. Concerts, Golf, Ceremonial, Gala, and many other events that all nobles can participate in. Some successful events recently taken place was the Cigar Social. Mission Baseball, Morgan's Wonderland, TSMFA big thank you to all who came and supported these events.

The future looking forward looks great, but we must work as team. If you have an idea, put it in writing and present it to your Divan, we are always looking to improve the fraternity. Until next month thank you for all you do and looking forward to seeing everyone soon.

Noble David Olivares
Treasurer of Alzafar Shriners

Here we go. We are already in September. This month we can look forward to Labor Day on September 5 and September 22, the First day of Autumn or Fall. We can now go outside and enjoy the chilling 80-to-90-degree weather! Time for the Season to change along with the colors of the trees.

I hope everyone is getting ready for the events coming up soon. If you have not already done so, please mark your calendars for a few of next month's events. October 1 is our Annual Hospital Gala. Net proceeds go to our Hospital Transportation. Then on October 15, we will have Giovanni and the Hired Guns at the Alzafar Pavilion. This group is sure to draw a crowd, so get your tickets early.

The finances are still doing good concerning the market. We have been blessed by performing better than the market, which we pray will keep getting better for us.

We are doing well in the office as we continue to improve our operations for our Shrine. Gozde, our office manager, is doing a great job, as are all the ladies in the office. Maria and Lisa continue to keep things running well, and of course, Joy has been booking our venue! They are all working hard as we try to finish up our yearly audit.

Speaking of "OUR" venue. Have you noticed all the improvements happening at our Shrine? The new carpets, flooring, and the painting that was done are all looking

great. The outside has been better kept since purchasing the mower and bringing that in-house. These are all improvements that each of you voted on to improve "OUR" building. What an excellent year for Alzafar! We keep our building up, and the rentals increase. We have seen a significant increase in that revenue, and we will continue to keep that going.

As a reminder, we invite you to join us for our Finance and Divan meetings. Especially if you are considering running for a position on the Board or Finance Committee. Also, do not forget our regular stated meeting on September 8.

Until Next Month!

Sincerely and Fraternaly,
David A. Olivares

Alzafar Office Update: We have a wonderful new Bookkeeper / Office Manager in our Office. Gozde De La Rosa is, in my opinion, a perfect fit for our Fraternity. With the addition of "G," more of my time will be spent on the Fraternity and less on running the Office. That said, I now have more time to be proactive rather than reactive in my role as Recorder. If you know of a Noble or their family member that is sick, recovering, or in the hospital, please call me on the cell phone at 210-617-8977. I always said my next motorcycle would be named "Visitation" so our staff could tell people I was out on visitation.

Rentals of the building: Our number for 2022 is over 704,000, and for 2023 we already have over \$540,000.

NOTICE

My fellow Nobles,

At the August 11th Stated Meeting, a written Resolution to Amend the Bylaws was presented in accordance with Article XIII Section 1 of our current Bylaws.

Pursuant to the aforementioned Section of the Bylaws, we are including this NOTICE to each member that a VOTE will be held at the September 8th Stated Meeting to adopt the proposed changes.

Pursuant the Bylaws, this NOTICE must contain the text or substance of the proposed changes. As there are many changes being proposed, this notice will include a summary of them, and you are hereby NOTIFIED that a full copy of the Resolution and Proposed Changes may be obtained in the Alzafar Office or by emailing Michael Ethridge at me@michaelgethridge.com.

Proposed changes include:

- Correcting non-substantive spelling, grammatical, and typographic errors
- Removing the word “Temple” from the Bylaws
- Authorizing the Alzafar Treasurer to wear his title on his Fez and clarifying other Fez adornment rules
- Removing specific dollar amounts from the Bylaws for dues and initiation fees and allowing for automatic dues increases when Imperial increases the per capita
- Updating the process for dues card dissemination and updates
- Allowing the Divan to assign the Recorder’s non-fraternal duties to a hired businessmanager
- Aligning our Stated Meeting requirements with that of Imperial Bylaws
- Updating the names of the Hospitals
- Enabling the Recorder to send out certain email notifications, with restrictions

The full text of the Resolution is included herewith.

Again, these proposed changes were presented at the August 11th Stated Meeting, discussion was had among the Nobility, questions were answered, and the Resolution was laid upon the table to be adopted at the September 8th Stated Meeting. If you would like to review the Minutes of the August 11th Stated Meeting, please contact the Recorder.

**A Resolution
To Amend the Bylaws of Alzafar Shriners**

Whereas the currently adopted Bylaws contain numerous non-substantive spelling, grammatical, and typographic errors that require correction;

Whereas the Imperial Council has recommended that references to the word “Temple” be removed and replaced with something reflecting modern vernacular;

Whereas the Divan of Alzafar Shriners wishes to formally allow the Treasurer the right to wear his title on his Fez and clarify other appropriate Fez adornments;

Whereas the recommendation of the Imperial Council is to remove references to specific dollar amounts for initiation fees and annual dues, allowing for easier adjustment without an entire amendment to the Bylaws;

Whereas the Imperial Council has updated the process by which annual dues cards are disseminated and now offers updated stickers for each year as well as a digital version of the dues card;

Whereas the Divan of Alzafar Shriners proposes changes to the Duties of the Recorder to increase office efficiency, productivity, and organization.

Whereas the Divan of Alzafar Shriners wishes to align the number of required Stated Meetings with Imperial Bylaws, reducing the meeting burden on the Nobility.

Whereas the Hospital system no longer uses the name “Shriners Hospitals for Crippled Children” and has added the term “Shriners Children’s;”

Whereas the Divan of Alzafar Shriners wishes to enable electronic communication for specific notices and announcements; and

Whereas Article XIII Section 1 of the Alzafar Shriners Bylaws require Amendments to be presented in writing in the form of a Resolution at a Stated Meeting, laid over to the next Stated Meeting or to a Special Meeting called for action thereon, a notice of said meeting sent to every member of the Temple at least seven (7) days before such meeting reciting the text or substance of the proposed Amendments, then adopted by a 2/3 affirmative vote of the membership present and voting

Now, therefore, be it Resolved that the Nobility of Alzafar Shriners:

1. Approves and adopts the attached proposed amendments to the Bylaws of the Alzafar Shriners; and
2. Orders and Directs the Recorder to report this Resolution with the newly adopted Bylaws to the Imperial Recorder together with accompanying documents as required by Shrine Law

Operations & Recovery: On June 20th, I underwent my Gastric Bypass Surgery. Four days in the hospital after problems with my lungs and then off to the house to recover. I ended up back in the hospital the day of the July Stated Meeting with my Kidney function down below 17 %. I spent four more days in the hospital. I was finally released to go home the evening before I needed to complete Alzafar's payroll. I describe my recovery as "Two steps forward and One step back.

The Yellow Banana(Alzafar's Yellow Food Truck) is still for sale. It was a Great Idea, but no one wanted to keep the food truck in compliance with the city of San Antonio. If you know of someone in the market for a beautiful food truck, please call the Office.

Living Room Furniture needed. Suppose you or your Lady is in the market for new furniture. In that case, we are looking for a couch and a couple of nice chairs to put in the Lodge Library located on the Alzafar campus. Come out to the next Shrine Event or Parade and catch the Spirit. Greetings from the Alzafar Desert Knights!

Wow...the competition was tough this year at the 2022 T.S.M.P.A. obstacle course. The Moslah Shriners were here to compete and did a great job in all categories; however, the Desert Knights were able to take first place in class IX. Congratulations to Noble Chris Celis with the quickest time and also Chris had best time in the motorcycle competition using a competitor's bike. Thanks to our damsels for their support and providing snacks and water to keep us hydrated during the competition. Later that evening at Andretti Indoor Karting, we enjoyed a nice meal, witnessed T.S.M.P.A. officer installations and obstacle awards were distributed. Fun was then had by all bowling, racing karts and playing a variety of arcade games. Just a reminder to all, the Desert Knights meet every 3rd Wednesday of the month in the Director's Room. We always welcome new members. Stay well and hope to see y'all soon.

ALZAFAR SHRINE SENIORS

By: Daniel Coburn, Secretary, 8/04/22

The monthly meeting of the Alzafar Senior's was held in the Roustabouts room on August 4th, with 15 members and guests attending. A delicious Italian Sub lunch was provided by Ralph McLeod with homemade dessert provided by Anne Marie Mudd.

Our speaker for the month was Corrina Hernandez, Care Specialist with the Area Agencies on Aging. Corrina spoke about the various areas of support that the Alamo Area Council of Governments coordinates and provides to Masonic Widows in need. Some of the areas of support are Care Coordination, Income Support, Health Maintenance,

Minor repairs of dwellings, Light Housekeeping, Emergency Response Services, and Transportation Assistance for doctors' visits, pharmacy, and grocery shopping.

The Shrine Seniors Club meets at noon on the first Thursday of every month in the Shrine Roustabouts Room. All senior Shrine Members and their Ladies are welcome to join us for lunch, dessert, and stimulating conversation. Shriners younger than 60 can become honorary members and those 100 or older eat for free. Our next meeting is scheduled for September 1st, in the Roustabouts room. Please RSVP to join us so that we have enough food. Until then we wish everyone safe travels.

For more information, or to RSVP, contact Seniors Secretary Daniel Coburn at 830-832-5513 or at dycoburn@gmail.com.

Where did it go? Here we are in September and the summer is behind us. Hopefully your summer was good for you. Now we are headed into the last quarter of this year and the schedule ahead will be getting busy for the Motor Club as well as a lot of other Clubs and Units.

We will be at the Kendall County Fair Parade on September 3. The fall parade season kickoff event. It will be the closing weekend at Camp Alzarfar so we are looking forward to seeing all you Nobles at one or both events!

Speaking of events. We have several coming up that we want to invite y'all to. Starting on September 2 is our first Drive In car showoff at the Shrine. It starts at 5:00 pm until 9:00 pm. We are going to do 3 of these on the first Friday of September, October and November. Pull on in and check it out.

As has been mentioned a time or two previously, it's our 60th year as a Club. On September 20 we will be having an anniversary dinner at Chama Gaucha Brazilian Steakhouse. We would thoroughly enjoy it if you would come join us. This is quite a milestone and we would be excited to share this evening with you and your lady. Many of you have helped us over the years and having you come out would be an honor.

I know I said I would feature another Club member in this edition of the Achbar, but I have fallen behind in this effort. I am in the midst of the next Noble's history, I just didn't get enough to put out there yet.

The Motor Club's annual Fall Car Show is scheduled for October 16 from 12:00 pm to 5:00 pm. It will be the first time we have done one on a Sunday and in the afternoon. We are looking forward to it and it should bring in some really nice vehicles to look at and admire. Come on by and end your weekend remembering your past looking at the different cars all shined up.

We also welcome ANYONE who has an interest in motors, wheels, and the smell of dinosaur decay in the air. Okay, even the electric vehicles are included. Two, three or four wheels or more are welcomed. If you have a Pinto station wagon or a Yugo, bring it. We meet on the 3rd Tuesday of the month and the door is also open.

Steven Fisk, Secretary

Greetings from your Princes of potable of potatoes. In the secret to making great beer there are 4 main ingredients:

Water- it has a huge impact on beer, as the largest component, it adds flavor directly to the product through its varied chemical make-up. Thus, the same beer brewed in different locations can be totally different in taste and quality. Breweries have a recipe for their water to insure their taste and sapidity.

Hops- they are used primarily as a bittering, flavoring, and stability agent in beer, to which, in addition to bitterness, they impart floral, fruity, or citrus flavors and aromas.

Hops are also used in brewing for their antibacterial effect over less desirable microorganisms and for purported benefits including balancing the sweetness of the malt

Malt-is a germinated seed used to produce starch and flavors to a beer in its fermentation stage. The malting process requires you to soak, sprout and dry the wheat, oat, barley, rye, and other cereals accordingly. In the end, you acquire malty grains that produce a sugary and bread-like character in a brew.

Yeast-works hard but really enjoys itself. This little, single-cell organism, one of the simplest forms of plant life, is responsible for carrying out the fermentation process in beer making, thereby providing one of life's simplest forms of pleasure (and its production of carbon dioxide is what causes bread dough to rise). Many brewers consider their yeast to be their most secret ingredient.

- Our August meeting will be at Big Hops on Bitters. Hope to see all y'all there.
- Our September meeting will be at Roadmap Brewing. Rumor has it we will get a backstage tour by a friend of mine who is a brewer there. I have no doubt it will be fun and informative.
- Our October meeting is tentatively scheduled for my house (with pool, bring fam, and suits). Will keep you posted as our frantic life progresses into the Fall.
- August 20th is the Full Ceremonial, starting at 4pm at the Shrine. Brews Brothers will have two tables with beer on tap and convivial communications with our new Nobles. We look forward to having a great time with our new Nobles and providing an even greater libation. Please be there, if possible, even if just to hang with the crew.
- August 27th is the second anniversary of Second Pitch Brewery. This is a fundraiser for the Shrine and a lot of fun, starting at 11am.

We invite all of you to come to one of our social gatherings, be they a meeting, brew day and or one of our outings. We the Alzafar Brews Brothers await your arrival with a glass in hand.

**ALZAFAR SHOTGUN UNIT
AKA SMOKIN' CLAYS
By Dave Jackson**

The Alzafar Shrine Shotgun Unit, also known as the "Smokin' Clays" remains busy, meeting, eating, and shooting! Our September stated meeting will be September 12th, eat around 6:15 pm and the meeting starts at 7:00pm. The September Fun Shoot will be at Bexar County Shooting Range at 0900. We will be shooting 5-stand. We have

an excellent opportunity to garner "OPM" (Other People's Money!) Sep 28 to 30 at the National Shooting complex during the National Skeet Championship. We will have a sign-up sheet for folks to sit at the table, come out and sell those raffle tickets!

Looking forward to October, we also have quite a full schedule. We will enter a team for the Oct 8 Chili Cook-off at Camp Alzafar; we have quite a history of taking the People's Choice award, so come help us cook up some award winning chili! Oct 10 is Shotgun Unit meeting, dinner starts at 6:15, meeting begins at 7:00ish. Another opportunity for OPM, Oct 19 to 22 we will sell raffle tickets at National Shooting complex during the National Sporting Clay Championship. Oct 29 Fun Shoot, location TDB

If you're looking for a new shotgun, find one of our unit members to get your chance at a brand new Beretta 686 Silver Pigeon 1 Sporting 12 Gauge Shotgun. It is a 32 inch over-under shotgun, with an oil-finished stock with a beautiful and crisp checkering pattern, and the Schnabel fore-end adds to the classic flavor of this over-under. Tickets are only \$10 each with a limited number being sold. Don't miss out on this beautiful and functional weapon. As always, if you're interested in shooting with us, either just for fun or even competing with us, give us a holler. We'd love to see you out on the range. Our stated meetings are held on the second Monday of the month at 7:00 p.m. in the Roustabout Room, ladies are always welcome. And come early as our Honorary Third Vice and Chief Chef, Noble David Hadley, always serves a fine dinner around 6:15.

Until next month keep your powder dry and remember as long as there is lead in the air, there is hope!

It is interesting to have our units provide advertising art for their fundraisers and notes to tell us what is happening within their ranks. It's exciting with so many new and prospective members showing up at events created and focused on growth. Can you feel it? I can, and although I can no longer attend the meetings of Alzafar, I see significant improvements.

Our Chief Rabban and High Priest have two events that seek to fuel economic growth. We need to grow these ideas until they reach the economic proportions of the Shrine Circus of old. I congratulate every Shriner who tries to make a

Greetings, Fellow Nobles-

We have reached beyond the halfway point of our 150th year and 100th Anniversary of our Shriners Hospitals philanthropy. We have also reached the annual Ceremonial inducting of the future of our Nobility. I say the future is now!

My fellow Noble Brothers, 35 years ago - Shriners just like yourselves, and you Nobles who have been Shriners for that long, gave me hope... gave me HOPE for reaching NOW! Right NOW, we have the best opportunity to affect the next generation of Shriners! Right NOW, we have the greatest energy to enliven the Fraternity! Right NOW, we have the power to instill hope in the children receiving care within our hospitals and the power to grow our Fraternity!

Come back to the Fraternity! Make your presence known once again! If you are reading this and haven't been to an Alzar Shrine function, whether the Stated Meetings, the many fundraising activities each of the units showcase... it's time! Alzar Shriners are the light of Texas Shriners, and I believe the light of Shriners International! We are that light because of all of you!

I would be remiss if I didn't speak up on the unit dear to my heart - the Hospital Corps! The Hospital Corps is our philanthropy's "tip of the spear"! The funds you raise for transporting go toward the business we conduct in taking patients to our hospital and clinics. We at Alzar do more for the philanthropy than any other Shrine Center in Texas! NOW is the time for you to join that speartip! Our "We Care Caravan" needs your talents, energy, volunteerism, and Brotherhood to carry on the excellent work that started 100 years ago. The work that includes me in 1.5 MILLION children that have received our care! The Hospital Corps needs you, but not just for driving. Like many units within all of Shriners, we are changing. We still transport our patients, that remains the same, and our transporting missions are picking up. We are also finding new ways of telling our story and sharing our Fun and Fellowship in our community. We need you NOW!

Nobles like you gave me the hope to reach now, and now I thrive in my own life. Now I give back to the same Fraternity and Philanthropy that showed me the light. Come back to the Fraternity... join me and us in the Hospital Corps! Bring your personal light along that Masonic journey to be a part of the greatest Fraternity that ever existed!

We need you NOW!

"No man stands so tall as when he stoops to help a child."

Your humble servant and Noble Brother,

Patrick "Kickstand" Scoles

Orvon Eugene Autry (1907-1998)

Orvon Eugene Autry was born on September 29, 1907, not far from Tioga, Texas. He was the grandson of a minister. In the early 1920's, while in his teens, the family moved to Ravia, Oklahoma. When not on school, Gene took to playing his guitar and herding cattle on his father's ranch.

To earn a little extra cash for the family, Gene became a

part-time telegrapher. Between transmissions he played his guitar and sang Western songs. One afternoon another Oklahoman – none other than Will Rogers – came into the telegraph office and heard Gene's voice and guitar playing. Rogers was impressed. He encouraged Gene to start playing professionally. Gene took Bro. Rogers' advice. His singing and radio career started after leaving high school in 1925. His first real break came when he starred as "Oklahoma's Yodeling Cowboy" on KVOO radio in Tulsa. That led to a record contract with Columbia Records. Gene became interested in Masonry and around this time joined Catoosa Lodge No. 185 in Oklahoma. Soon after he was picked up by WLS in Chicago and the National Barn Dance program. In 1930 and 1931, he visited New York to record what was called "hillbilly music."

Gene's first major hit, That Silver Haired Daddy of Mine, was recorded in 1932 with Jimmie Long. This collaboration led to one hit after another. Gene recorded over 640 songs and had either written or co-written more than 300 of them. Some of his more popular songs include Santa Clause is Coming to Town, Here Comes Santa Clause, Frosty the Snowman, and his all-time biggest hit Rudolph the Red-Nosed Reindeer. By the end of his career Gene had sold over 100 million records, receiving the first ever gold record, followed by eleven more gold and platinum records. He was voted into the Country Music and Nashville Songwriters halls of fame, in 1969 and 1970, respectively. His success led his founding Challenge Records,

which produced many hits.

In the 1930's and 1940's Gene expanded his career in to the movies until after WWII. He continued with radio with the CBS radio show Gene Autry's Melody Ranch. The show was so popular that after a short retirement, he returned the movies. Even his horse Champion had his own show, The Adventures of Champion.

In the 1950's, the introduction of comic stimulated interest in reading. They included what Gene called the Cowboy Code and here one can see the influence of Masonry. 1. Never shoot first, hit a smaller man, or take an unfair advantage.; 2. Never go back on his word, or a trust confided in him.; 3. Always tell the truth.; 4. Be gentle with children, the elderly, and animals.; 5. Not advocate or possess racially or religiously intolerant ideas.; 6. Help people in distress.; 7. Be a good worker.; 8. Keep himself clean in thought, speech, and action.' 9. Respect women, parents, and his nation's laws.; 10. Be a patriot.

By the time he retired from show business he had achieved something which will never be matched: Gene Autry was awarded five Hollywood Walk of Fame stars for: 1. Radio; 2. Stage; 3. Screen; 4. Records; and 5. TV.

One might think that was enough, but not Bro. Autry. He invested his earnings in. real estate, radio stations, and TV. He purchased the right to Republic Pictures and all of his old films thereby insuring a continued stream of income from reruns.

In 1960, Major League Baseball had plans for an expansion team in Los Angeles. Autry approached MLB with an interest in radio and TV rights to the new team. They were so impressed with his acumen they refused him the rights unless he became the team's owner! He entered his final career as a baseball team owner and promoter, wearing the team jersey number 26. The team was initially called the LA Angels, which was changed to the California Angels and then to the Anaheim Angels before returning to the original name in 2005.

When the Angels finally won the World Series in 2002, the old Gene Autry theme song. Back in the Saddle Again was played over the stadium's speakers as fireworks exploded.

Thanks to PP Reese L. Harrison who pointed out that Jimmie Rogers was Raised in Blue Bonnet Lodge, here in San Antonio, prior to his joining the Lodge in Mississippi.

Highlanders Pipes & Drums

Greetings Alzafar!

My wife and I have returned from the Scottish moorland! There were beautiful mountains, green landscapes as far as the eye can see, 70 degree weather in the middle of summer & fine Scottish hospitality at every turn. We tried to bring back their wonderful weather but it just wouldn't fit in our suitcase!

While in Inverness, we were able to visit local shops, tour multiple castles & gardens, visit several distilleries, say Moo to the Coo (which is slang for "Hi!" to the Highland Cattle who are local celebrities), drive on the left side of the road, and paid respects at Culloden Moore. We even tried to

visit Nessie at Loch Ness, but she was shy! We'll just have to try and catch a glimpse of her next time!

Although the trip was amazing, it is good to be back to fellowship with our Alzafar family. Please feel free to join the Highlanders on Wednesdays in Room 9 at 6:30pm for bag pipe practice and an option dram of whisky. We will be having our quarterly meeting on September 7th. In addition, the Highlanders are invited to attend Guadalupe Lodge on 9/8/2022 in Seguin.

Fraternally,
Bobby Packer

positive change. Before we let another out-side vendor take our goodwill and good name to sell it to the lowest bidder, let's push these new ideas wherein we control the narrative and the purse strings. Let yourself be changed by noble goodwill and positive vibes. Churchill was right when he said, "People who don't change their mind, don't change anything!"

Alzafar is about community and personal service. Membership is complex, and with the self-less help of others on the Divan, I can see a bright future for Alzafar. Our High Priest, Mike Long, deserves much praise for undertaking the most challenging effort in Alzafar. Our Ori-ental Guide Steve White and his friends are helping out another non-profit with a stellar reputation. Morgan's Wonderland is a very laudable and note-worthy undertaking. See his pic-tures on Page 5. Our assistant Rabban has a super starry gala in the works. While our Chief Rabban has a car show with the Laredo Shrine Club. He just finished his Cigars and Whiskey as his own membership event and our entry into new revenue with his Paleo BBQ, Market Daze, and Kevin Fowler. None of the above would have happened had they not the support from a stellar Potentate Robert Norman with the backing of the Ladys driven by Ms. Tiffany. Smile, Alzafar, you're looking good.
