

Mission Statement

To provide a community and homeowner landscape environment that will enhance the beauty, value, and curb appeal of the neighborhood and its homes

Our Strategy

To develop, implement, and support policies and practices that either maintain or improve the landscaping standards of GFCC

Actions and Authority

The Landscape Committee's actions will be governed by the Community Guidelines and the Board. The committee has no decision or enforcement authority, and exists only to make recommendations to the Board, as it pertains to the landscaping issues within the community

Scope of Work

The Landscape Committee's scope of work will be guided by the following community and homeowner landscape areas, currently ranked in order of priority, as listed below:

Community Landscape

- 0 Monument Plantings
- 0 Community Gathering Areas (ie: Pool, Playgrounds, Community Center, etc..)
- 0 Street and Sidewalks
- 0 Parks and Trails
- 0 Dry Ponds
- 0 Gas-Line Easements
- 0 Fences and Borders

Homeowner Property

- 0 Lawns
- 0 Trees and Bushes
- 0 Island Strips
- 0 Foundations Plantings
- 0 Borders and Retaining Walls
