Children's Programming Cancelled on Sunday, February 15^h

If you visit us for:

Storytime

Kids Unplugged or

Stay & Play

These sessions will be cancelled
for Sunday, February 15th.

Library EXPANSION PLAN!

Thanks to incredible community support from our four municipalities, the Province, Selkirk Rotary, the Selkirk & District Community Foundation, and over 250 donors including the Gaynor and Dexter families, we raised the money needed to make our library dreams come true!

The tender went out in mid-January and we are expecting to select the best bidder by the end of February. Then it gets real – we expect the construction will be from March through September of 2026.

A plan for the improvements and timing is coming soon. Construction will effect your library service:

- The goal is to not close the library for more than a day or two at a time
- Some library areas will be closed off for construction while we are open
- Expect higher noise/dust levels during construction
- Much of the construction will be outside of the current library zone, but
 - The “Nook” will have NEW study booths and will be closed for a bit
 - The old children’s area will be closed for a week or so for transition
 - All lights will be upgraded to LED
 - Parking lot improvements will cause temporary outside issues
 - Repainting of the entire building will cause disruptions

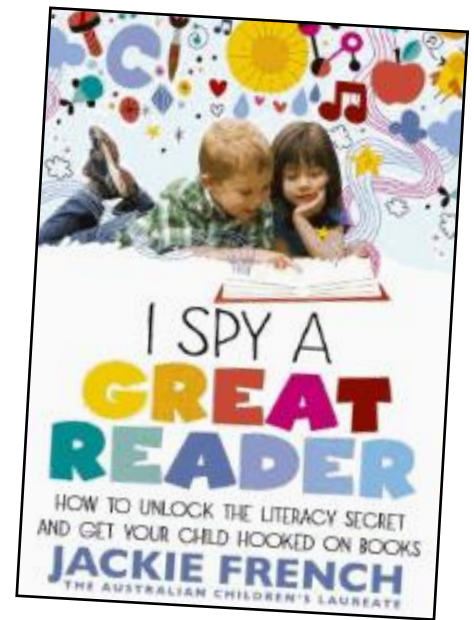

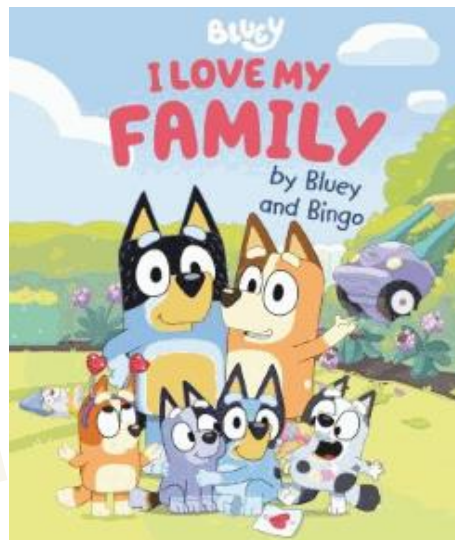

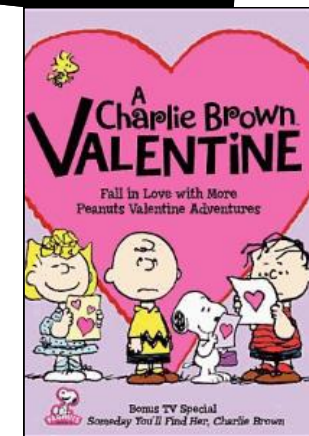

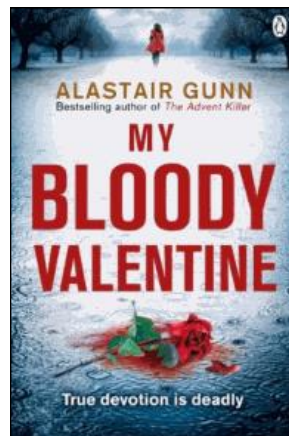

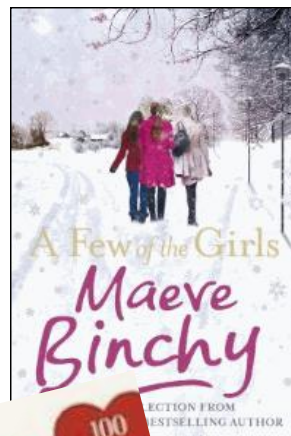

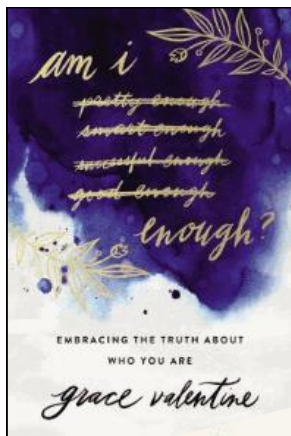

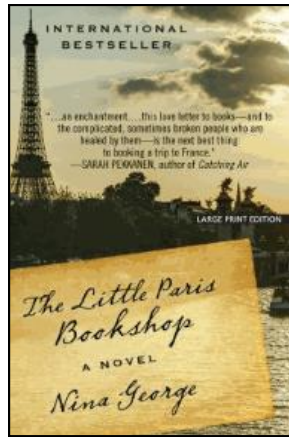

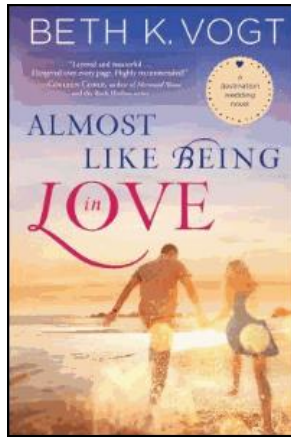

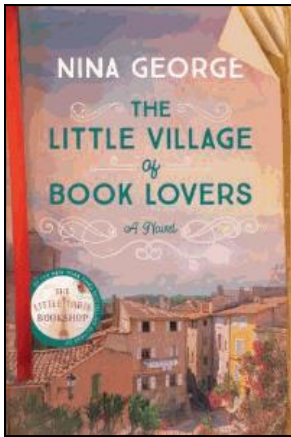

All in all, its very exciting and the result will be amazing, but we ask everyone to understand we will be doing renovations and that very act is going to cause some temporary frustrations.

Our goal is to do all we can to keep the library open throughout this process. Thanks for your support and patience.

Ken Kuryliw, Library Director
