Author Reading

Saturday, March 1st
Time 1 - 2 pm, Theatre

Jason Dunkerley, author of the book
Visions of Hope, Running Towards My Own Truth will be visiting.

Join us as we discuss his autobiography of an iconic blind Canadian middle-distance runner who won five Paralympic medals and numerous other laurels during his storied career.

In telling his story, Dunkerley introduces us to the behind-the-scenes intricacies of top-tier athletics: the rigours of intensive training; the building of rapport among athlete, guide and coach; the development and implementation of winning strategies; the never-ending struggle to excel; the searing letdown of defeat, and the euphoric triumph of victory.
