## LEGACY of LOVE

The Library is partnering with local artists and Indigenous leaders to create a permanent art display in the Urban Prairie, located behind the Library.

The art installation will be an interactive Turtle, to recognize and remember the Murdered and Missing Indigenous Women and Girls from our community.

To date, over \$75,000 has been raised, however additional funding is needed to install the project in the spring of 2021. We are looking for donations to the **Legacy of Love** project, which will become a place of healing in our region.

All donations to the project are tax deductible and can be made at the Library or online through **Canadahelps.org**

Select Gaynor Family Regional Library and then indicate the **Legacy of Love** Campaign. Thank You!

## Libri-Fund

Library Endowment Fund (Libri Fund)

The Selkirk and District Community Foundation ([www.sdcf.ca](http://www.sdcf.ca)) in partnership with a founding donation from Duane Nicol and Erin Nosal, has established an endowment fund for the Gaynor Family Regional Library.

All donations directed to the Libri - Fund will help build an endowment that will support the Library in operations for programming and materials for generations.

This holiday season, please consider making a tax deductible donation or an estate gift. You can donate directly to the Foundation ([www.sdcf.ca](http://www.sdcf.ca)), indicate the Libri - Fund and all proceeds of your effort will support your wonderful community Library. Thank you for your consideration.
