Library News

CurbSide Service

Our Curbside Service will continue into February

When your hold(s) are ready, please advise us at
(204) 482-3522
and we will bring your items out to your vehicle.

Message to our Wonderful Patrons!

It's been a difficult time to receive library materials and programming remotely. The Library Board believes that while it is asking a lot of you and Library staff, it is important to do our utmost to protect the community and our over taxed health care system.

The Library Board will continue to monitor the pandemic while the Library staff will continue doing their best to get you the reading materials you need. We are looking forward to being able to open the doors once the Omicron peak is behind us.

Thank you Ken Kuryliw
