## GLOBAL Authors

Explore books from different perspectives - be a global citizen!

Visit the Manitoba Council for International Cooperation ([mcic.ca](http://mcic.ca)). They have great reading lists for students and adults to explore global issues and get inspired by Canadian and global voices.

International Development Week (IDW) brings together Canadians, from coast to coast to coast, to share and celebrate our contributions to international development assistance.

This year IDW is **February 5th-11th, 2023.**

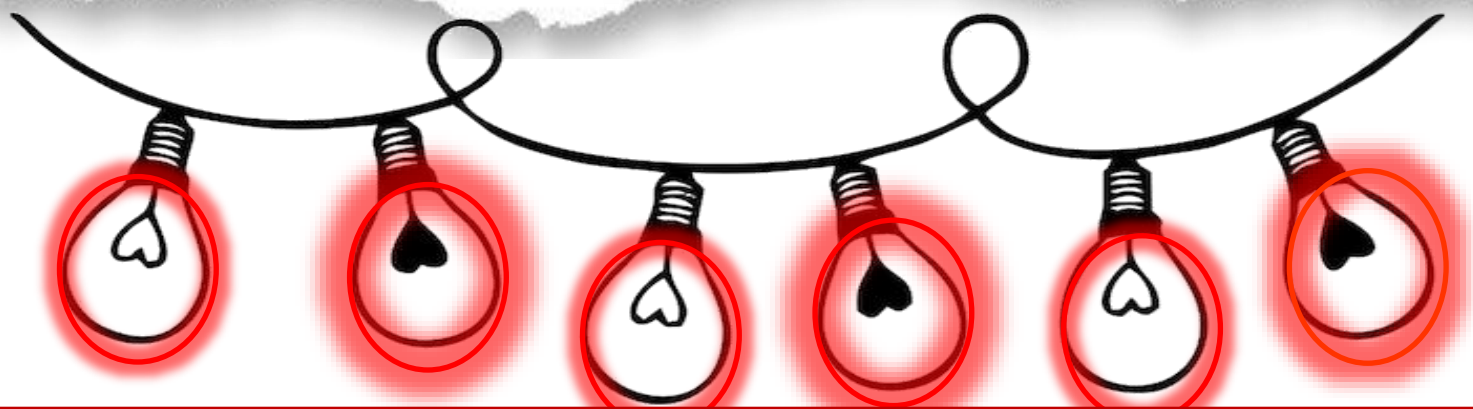

## Freedom to Read

Freedom to Read Week is an annual event that encourages Canadians to think about and reaffirm their commitment to intellectual freedom as they affect your community, your province, our country and countries around the world.
