

The Reader

TD Summer Reading Club

Summer Reading Packages

TD Summer Reading Club is Canada's biggest, bilingual summer reading program for kids of all ages, all interests and all abilities.

This free program is co-created and delivered by more than 2,000 public libraries across Canada. It celebrates Canadian authors, illustrators and stories.

It's designed to inspire kids to explore the fun of reading their way – the key to building a lifelong love of reading.

See us at the
Circulation Desk
on June 21st for your
reading log, internet code
and stickers!

June 2022

Summer Library Programming

Sign up for a virtual workshop* with Scientists in school!

*All virtual sessions include mini science bags for each participant - available at the Library prior to session date.

Open yourself up to the wonders of science and engineering. Everyone can foster environmental stewardship and encourage children to discover how science is used in their everyday world. These sessions will provide rich, engaging and investigative experiences with opportunities to interact with the 'visiting' scientists.

Register June 21st, in-person at the Circulation Desk or over the phone (204) 482-3522 for this virtual workshop.

Eww... that science is gross

July 14 at 1:00pm

Science Meets Art! - Virtual

August 18 at 1:00pm

Eww...that Science is Gross!
60 minutes / 15 children / Ages 4-12

Discover the science behind things that make you go...ewww!
Make "snot" and sneeze it while exploring viscosity, identify various animals from their scat (i.e. poop) and learn about digestion while producing a burp in a bag.
Join us on a gross but fun-filled science adventure!

A leading Canadian science education charity (867139537RR0001). www.scientistsinschool.ca

Sign up today to discover what happens when

Science Meets Art!
60 minutes / 15 children / Ages 4-12

Discover what happens when science meets art! Explore perception as you use shadows, colour, motion, and light to create art from science. You'll make a puppet, a spinning top and a kaleidoscope, as well as design your own galaxy. "The greatest scientists are always artists as well!" (Albert Einstein)

A leading Canadian science education charity (867139537RR0001). www.scientistsinschool.ca
