STAR WARS DAY MAY THE 4TH BE WITH YOU

FUN FACTS

Search our Star Wars collection, we have over 100 items for you!

George Lucas was an avid admirer of author, Joseph Campbell, using his writings as a direct reference in his creation of Star Wars. Specifically, the book entitled "The Hero of a Thousand Faces".

Jedi pass their knowledge down from Jedi Master to Padawan learner. Jedi knowledge comes from experience, not just the *Sacred Jedi Texts*. Good thing too, because as a great Jedi Master, Yoda once said, "Page turners they are not".

The personal communicator used by Qui-Gon Jinn in "Episode I: The Phantom Menace" was actually a razor. A Gillette Ladies Sensor Excel Razor, to be precise.
