G GAYNOR FAMILY
REGIONAL LIBRARY

Project Update!

The Place to... *Be*

The Gaynor Family Regional Library has become a destination for many in our community. Whether it's for classic library services, conferences, events or studying for an exam - we are a place for all to use and enjoy.

After months of working out the details with our governing municipalities the Library has secured the opportunity to expand its floor space by an additional 6,000 square feet, causing a ripple effect in all collections and areas.

This new growth will allow the Library to dedicate an entire wing of the building to the Children's collection, offering increased program space and additional meeting and study areas.

Join us in this Expansion Journey

Visit **www.gfrl.org** for all the updates and details!

Here we go.....

The Rotary Club of Selkirk has made an incredible commitment to the expansion project - specifically the new Children's wing. We are very grateful for this wonderful opportunity and know that the Library and the community at large will benefit greatly.

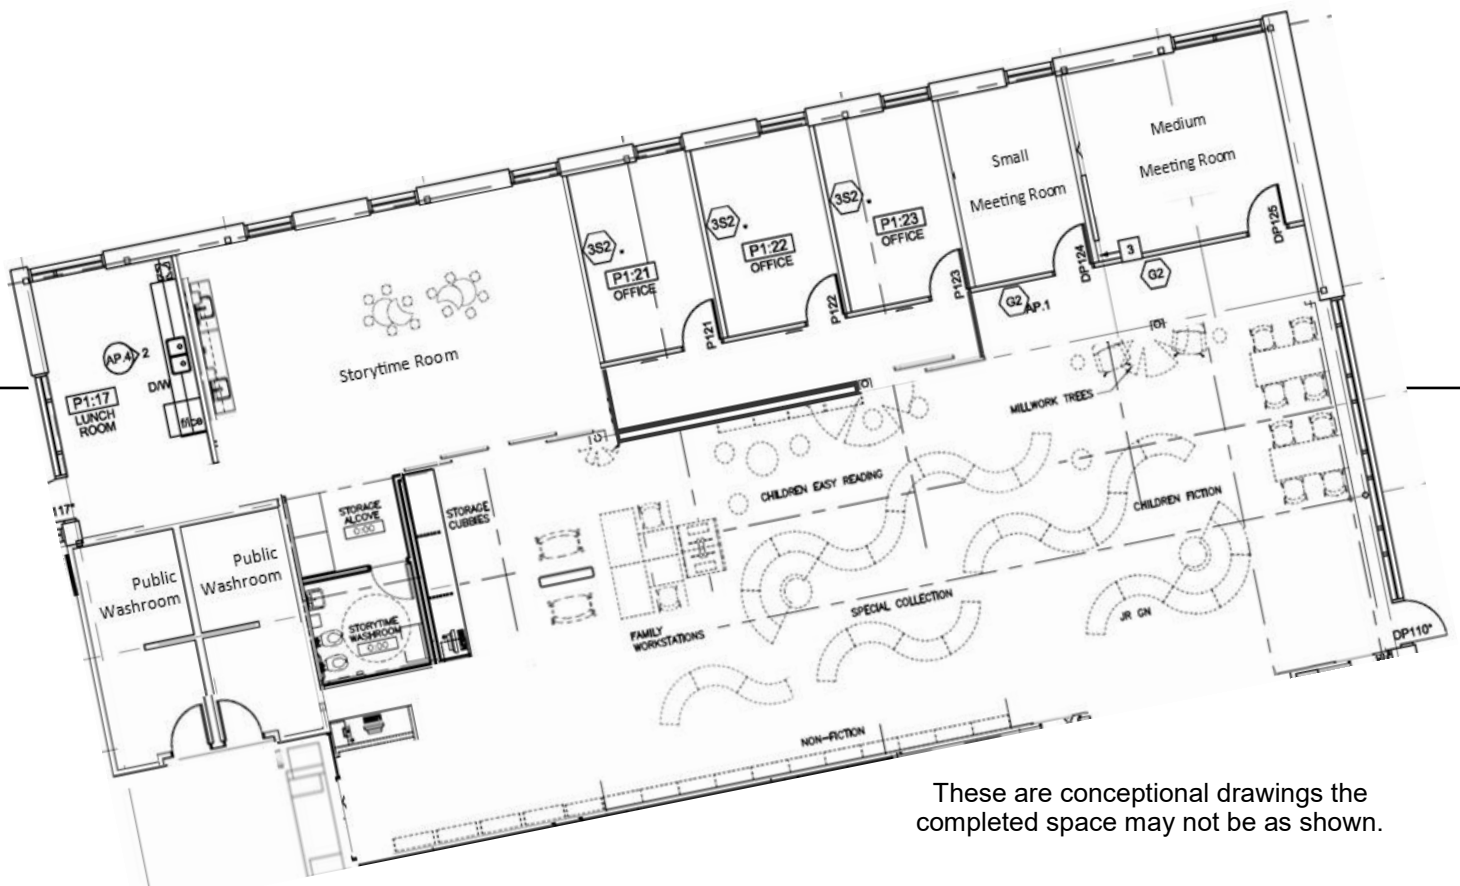

Please support ***The Place to Be Campaign*** and help us reach our goal of \$1.3 million dollars. Consider giving by:

Online donation through our **CanadaHelps.org** link.

In-person at the Library where we accept Visa/Master Card/Debit/cheque or cash.

Adding the Gaynor Family Regional Library to your estate plan.

All donations will be recognized with a tax receipt and, if desired, donor recognition.

These are conceptual drawings the completed space may not be as shown.
