## Big Library Read - November 2<sup>nd</sup>!

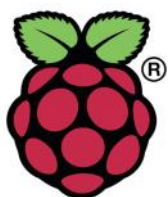

Libby.  
The library reading app

Visit Libby to borrow the featured title 'A Snake Falls to Earth' by Darcie Little Badger with no waitlists or holds.

This award-winning title draws on traditional Lipan Apache storytelling structure to weave an unforgettable tale of monsters, magic and family.

\*BONUS: Use **#biglibraryread** on social media for a chance to win Libby swag, a tablet, & a blanket.

Raspberry Pi

## Raspberry Pi - Info Night

Wednesday, November 30<sup>th</sup> at 7pm, Theatre  
Sunday, December 4<sup>th</sup> at 4pm, Theatre

Raspberry Pi is a tiny computer capable of doing **BIG** things.

Created to provide affordable computing resources for children, it has put the power of learning, computing and digital making into the hands of millions of people all over the world. You can use it to learn coding and build gadgets that interact with the physical environment. The possibilities are endless!

Come out for an info night and learn about the Raspberry Pi program for kiddos aged 9-13. No experience required.

Library closed on  
Friday, **November 11<sup>th</sup>** in observance of  
Remembrance Day

Online access to the Library catalogue will be unavailable **Saturday, Nov 5<sup>th</sup>** starting at 5am our time and lasting for approx. 12 hours as a world wide upgrade is applied. Access to Libby is still available.

# Special Presentation

## **Tuesday's in November**

Join us Tuesday nights at 7pm in the Theatre  
for a special series on  
Energy Efficiencies from the City of Selkirk

### **Energy Efficiency and Conservation**

**November 8<sup>th</sup> at 7pm, Theatre**

Guest Speaker: Spencer Hruden, Energy Efficiency Program Administrator

What can you do NOW—retrofits that are accessible to everyone. Covering insulation, doors/windows, water conservation, the Instant Rebates Program (ending November 10th) and discussion on incandescent to LED lighting cost savings analysis.

### **Renewable Energy**

**November 15<sup>th</sup> at 7pm, Theatre**

Guest speaker: Kayla Dawson, P. Eng, Manager of Climate Action and Environmental Services

Discussion on solar panels, payback period for solar arrays, solar and tankless water heaters, ground/air source heat pumps and cost savings analyses on switching your space heating fuel types.

### **Retrofits, Rebates, Grants, and more!**

**November 22<sup>nd</sup> at 7pm, Theatre**

Guest Speaker: Spencer Hruden, Energy Efficiency Program Administrator

Covering various programs and forms of funding that you could qualify for, as well as other general information such as current building code requirements, comments on EV cost and emissions savings.
